re/ DENNIS John K92813 (c)

Dear Sir:

With further reference to your letter of February 24 1944 and also Mr. Indian Agent Sampson's report dated February 14 1944.

We have now been advised by the Unemployment Insurance Commission at Watson Lake that this Indian is at present employed in that area. While Watson Lake is too remote to ask this man to proceed with his medical examination we will appreciate your Department following this case and having Dennis take his medical examination at the first opportunity.

Yours truly

Charles G. Pennock
Divisional Registrar
