

CANADA'S WHITE PINE POSSESSIONS THREATENED WITH EXTERMINATION

An Authoritative Discussion of White Pine Blister Rust

Written by *H. T. Gussow, Dominion Botanist, Ottawa.*

Published and distributed by the Canadian Forestry Association, Ottawa.

The Forest resources of the Dominion of Canada, it has been said, are inexhaustible. This statement, on careful inquiry, may need some modification. The forest wealth of Canada undoubtedly is inexhaustible as far as the present generation is concerned; it will be found ample yet

for many more generations. We must however, bear in mind the wonderful opportunities Canada offers for settlement. With an increased population such as Canada requires to develop its natural resources to the fullest degree the demands on the Dominion forest resources will in-
