

Come ! pray you, come ! and help us with kind will,  
'Twill cheer our efforts, soon our coffers fill ;  
'Twill make you happy—for a good deed done  
Fades not with day, sets not with setting sun,  
But out-lives history, and creates a name  
As bright as any on the scroll of fame !  
Yes ! Charity—sweet love, angelic leaven,  
Thrice bless'd who gives, approv'd and bless'd of Heaven !
