

high-water mark shall be legibly marked with the name of the miner and the date upon which the claim was staked.

3. Dry diggings shall be 100 feet square and shall have placed at each of its four corners a legal post upon one of which shall be legally marked the name of the miner and the date upon which the claim was staked.

4. Creek and river claims shall be 100 feet long measured in the general course of the stream, and extend in width from base to base of the hill or bench on each side, but when the hills or benches are less than 100 feet apart, the claim may be 100 feet in depth. The lines of a claim shall be two parallel lines run as nearly as possible at right angles to the stream. The sides shall be marked with legal posts at or about the edge of the water and at the rear boundaries of the claim. One of the legal posts at the stream shall be legibly marked with the name of miner and the date upon which the claim was staked.

A Bench claim shall be 100 feet square and shall have placed at each of its four corners a legal post upon which shall be legibly marked the name of the miner and the date upon which the claim was staked.

6. Entry shall only be granted for alternate claims, the other alternate claims being reserved for the Crown to be disposed of at public auction, or in such manner as may be decided by the Minister of the Interior.
