**IF YOU
ERECT
A HOUSE**

Or any other building, put up a fence, repair your dwelling, or use Lumber in any way, remember the

"BEE HIVE" LUMBER YARD

Scores of builders and countless farmers took part in the hum at the "BEE HIVE" during the past season.

Our Mail Order Department was kept busy, telephone orders were innumerable

If you order by mail or telephone you get the lowest cash price, and receive the same quality of Lumber as if you selected it personally.

The only kind we keep—THE BEST
