

RECENT REGULATIONS.

Attention is here directed to certain changes in the Medical Curriculum of the University, also to the matriculation requirements of the new Quebec Medical Act.

- (1.) A practical examination in Anatomy will form part of the Primary Examination.
 - (2.) Medical and Surgical Anatomy will form part of the practical examination by the Clinical Professors.
 - (3.) The attendance upon the lectures on Hygiene is compulsory.
 - (4.) Students may present themselves for examination in *Materia Medica* at the end of the second year.
 - (5.) The section in clause 9 of the Qualifications for the Degree in Medicine relating to the Thesis or Inaugural Dissertation is cancelled.
 - (6.) Eighteen months' Hospital attendance is required instead of twelve.
 - (7.) A certificate of having compounded Medicines for six months' is necessary to qualify for Degree.
-

It is important that every Student belonging to the Province of Quebec should know that a new Medical Act, 40 Vic., 29 chap., was passed at the last meeting of the Legislature of this Province the VIII section of which is as follows:—

“From and after the passing of this act, no person shall be admitted as a student of medicine, surgery or midwifery, unless he shall have obtained a certificate of qualification from the Provincial Medical Board, and no one shall be entitled to the licence of the college on presentation of a Diploma unless he has been previously admitted to the study of medicine in accordance with the provisions of this act, or unless he has passed an equivalent preliminary examination before an authorized College or Licensing Board in Her Majesty's Dominions, acceptable to the Board created by this Act.”

The Matriculation Examination is conducted by Examiners appointed by the “Provincial Medical Board,” and the examinations are held twice a year, viz.,—upon Wednesday of the week after Easter at Montreal, and again upon the last Wednesday but one of the month of September at Quebec.

The requirements of the standard for the Matriculation are English and French, Latin, geography, history, arithmetic, algebra, geometry, *belle-lettres*, and any one of the following subjects, Greek, natural and moral philosophy.

The fee for the Matriculation Examination is \$10, one half of which will be returned to unsuccessful candidates.

The Matriculation Examination of the College of Physicians and Surgeons of Ontario is accepted from Students belonging to that Province.

Of the four years study *after* having passed the Matriculation Examination required by the new Medical Act, three six months' sessions, at least, must be attended at a University, College, or Incorporated School of Medicine recognized by the “Provincial Medical Board,” and the first session must be attended during the year immediately succeeding the Matriculation Examination.
