

# MISSIONS In a Nutshell

---

Dr. R. P. MACKAY'S  
New  
HANDBOOK ON MISSIONS

Tells the story of Christian Missions from Pentecost to 1910, with facts and figures to date. Eight of the twenty chapters are devoted to our own Home and Foreign Mission work: how it is done and where, and with what success. Dr. Mackay's little volume is No. 7 in the Advanced Teacher Training Series of Handbooks. But it is no mere text book. It reads like a romance. 66 compact pages.
