DR. BARNARDO'S HOME.

The managers of these institutions invite applica-
tions from farmers and others for boys and youths,
who are being sent out periodically, after careful
training in English homes. The older boys remain
for a period of one year at the Farm Home at Rus-
sel, during which time they receive practical instruc-
tion in general farm work before being placed in situ-
ations. Boys from eleven to thirteen are placed from
the distributing home in Winnipeg. Applications for
younger boys should be addressed to the Resident
Superintendent, 115 Pacific Avenue, Winnipeg, or P.
O. Box 970; and for older boys, possessing experience
in farm work, to Manager, Dr. Barnardo's Farm
Home, Barnardo, Man.

Use Fleming's Sheep Dip for lice on cattle.

We Sell

The genuine Anti Rheumatic Ring.
The great rheumatism cure. Thou-
sands are wearing them with the
best possible results, and we have
customers who would not part with
their ring for \$500.00, if they could
not get another. The ring should
be worn on the left hand, and on
the finger it fits best. The ring must
be kept bright on the inside. It
should be cleaned every day with a
penknife or sandpaper. If you are
a sufferer, don't delay a day in pro-
curing one. Send a slip of paper the
size of a finger, with 2c. and we
will forward you a ring by return
mail, postpaid.
