

LOST WILLIE.

A poor boy employed in Scotland to keep sheep was overtaken on the hills by a severe snowstorm. Long and bravely he kept up, and tried to drive his flock toward home by taking note of the landmarks he knew. All in vain; the snow fell fast, and before night all traces of roads and paths were lost, and poor Willie found himself alone in the hills with his sheep.

As the night wore on the fatal drowsiness began to creep over him, beyond a power to resist, and without a scrap of shelter he laid himself down among his sheep to sleep and die, for he was sure he would never wake. With a smothered prayer for help he fell asleep, and as he lay there more sheep came and huddled around him. Strange, indeed, as it may seem, the warmth from their bodies kept him from being frozen to death. A party from home went in search of him, and they found him surrounded by a dozen old sheep, whose instincts had saved his life. In keeping themselves warm they had kept warmth and life in him. And he lived many years to tell this anecdote of his boyhood's peril when lost on the wild northern hillside.

A SAD CASE.—The poor victim of Chronic Dyspepsia apparently suffers all the ills of life, living in continual torture. Regulate the Liver and the Bowel, and tone the stomach with Burdock Blood Bitters, and the dyspeptic trouble is soon gone.

GRAND

Colonial Exhibit on in London, England,

—1886.—

FIFTY-FOUR THOUSAND FEET RESERVED FOR CANADA.

FIRST ROYAL EXHIBITION COMMISSION SINCE 1862.

THE COLONIAL AND INDIAN EXHIBITION to be held in LONDON, England, commencing MAY 1st, 1886, is intended to be on a scale of great magnitude, having for object to mark an epoch in the relations of all the parts of the British Empire with each other.

In order to give becoming significance to the event, a Royal Commission is issued for the holding of this Exhibition, for the first time since 1862; and His Royal Highness the Prince of Wales has been appointed President by Her Majesty.

The very large space of 54,000 square feet has been allotted to the Dominion of Canada by command of the President, His Royal Highness.

This Exhibition is to be purely Colonial and Indian, and no competition from the United Kingdom or from foreign nations will be permitted, the object being to exhibit to the world at large, what the Colonies can do.

The grandest opportunity ever offered to Canada is thus afforded to show the distinguished place she occupies, by the progress she has made in AGRICULTURE, in HORTICULTURE, in the INDUSTRIAL and FINE ARTS, in the MANUFACTURING INDUSTRIES, in the NEWEST IMPROVEMENTS in MANUFACTURING MACHINERY and IMPLEMENTS, in PUBLIC WORKS by MODELS and DESIGNS; also in an adequate display of her vast resources in the FISHERIES, and in FOREST and MINERAL wealth, and also in SHIPPING.

All Canadians of all parties and classes are invited to come forward and vie with each other in endeavouring on this great occasion to put Canada in her true place as the premier colony of the British Empire, and to establish her proper position before the world.

Every farmer, every producer, and every manufacturer, has interest in assisting, it having been demonstrated that extension of trade always follows such efforts.

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brush, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.
