

# The School

has the following publications for teachers' use.

<b>SPECIAL WAR EDITION</b> .....	40 cents.
<b>SUPPLEMENT TO WAR EDITION</b> .....	10 cents.

These two volumes furnish all that is necessary for teaching the war to the end of April, 1917. The material for the remainder of the year 1917 is given in the issues of *The School* for October, January, February, and March; these copies sell for 15 cents each.

For classroom use there is nothing to equal this. The "diary of the war" gives all the events for every day from the beginning, with important events in italics.

Every topic in the syllabus is covered. The Ontario Department of Education recommends this material for teaching the war.

**On Pronouncing Latin** ..... 15 cents.

This is an authoritative treatise on Roman pronunciation, the value of which will be recognized by every teacher of Latin.

**English in Secondary Schools** ..... 15 cents.

This deals with English Literature, English Classics, Memorization, Method of dealing with a Play of Shakespeare, Prose Literature, How to Set Examinations on Literature.

**The Development of the Imperial Conference** ..... 15 cents.

A complete, concise account of Canada's participation in Britain's councils. Useful for reference in High School History Classes.

**The Phonetic Alphabet** ..... 10 cents.

The teacher of French will find this valuable.

**Elementary Geography** ..... 15 cents.

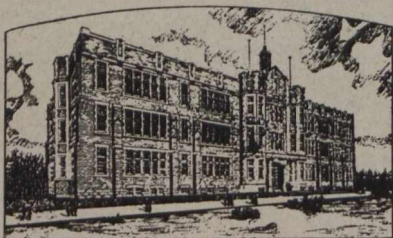

Full of suggestions for the teacher of Second Book Classes (Grades 3 and 4); profusely illustrated.

**Geographical Nature Study** ..... 10 cents.

Primary teachers will find this of practical value in their classes.

**Rainfall Maps** of any of the continents (for use in teaching Geography according to the method outlined in the December and January issues) ..... 10 cents per dozen

The prices quoted include postage.
