

Live Stock Markets.

Toronto, May 28.—We had a total of 62 loads of offerings on the market this morning, consisting of between ten and eleven hundred hogs, a couple of hundred lambs and sheep, 270 calves, and a large quantity of export cattle, the supply of butchers' cattle being rather light. The market, taking it all round, was about the best of the season; prices were a little weak for inferior stuff, but good cattle or small stuff fetched its value without trouble, except in hogs, where the tendency is towards weakness. A good index to the character of the market is that about everything here was sold by 11 o'clock.

Export cattle—Prices ranged from 4½ to 5½c per pound. As will be seen from sales below, a little more was occasionally paid, but the range was as indicated. Among the principal sales were 4 loads purchased by Messrs. Thompson & Dun, which averaged a little over 1,300 lbs each and cost \$5.35 per cwt; a load of 20 averaging 1,270 lbs sold at \$5 10 per cwt; a load, averaging 1,175, sold at \$4 85 per cwt; 21, averaging 1,270 lbs, sold at 5c per lb; a load, averaging 1,285, sold at \$5 per cwt, and \$10 back; a load, averaging 1,300 lbs sold at 5½c per lb; a lot of 17, averaging 1,170 lbs sold at \$4 75 per cwt; a lot of 12, averaging 1,200 lbs, sold at \$4 62½ per cwt; a load of 20, averaging 1,248, lbs at 4½c per lb and \$1 each back; a load of 21, averaging 1,260 lbs, sold at 4½c per lb; and a lot of 13, averaging 1,300 lbs sold at 5c per lb.

Butchers' cattle—Good butchers' cattle ranged from 4½ to 4¾c this morning; secondary grades sold at from 3½ to 4c per pound. The supply was short, and good cattle were in demand, the local requirements being more pronounced. Among the sales were these:—A mixed load of 20, averaging 1,000 lbs, at \$4.20 per cwt; a lot of 12, averaging 1,100 lbs 4½c per lb; 5 averaging 700 lbs, sold at \$3.70 per cwt; and a mixed lot of 17 cattle, including several cows \$3 80 per cwt and \$10 back.

Milk cows—The supply was small, but the demand was better, and prices more firm.

Sheep and lambs—We had no quotable change in sheep or yearlings; the supply was sufficient, but a few more of the best grades would have gone. Spring lambs sold at from \$3 to \$4 each but only choice lambs are in real demand; others may sell, but at low figures.

Calves—There were too many in, and prices were a little off. Choice are worth from \$4 to \$5, and inferior run as low as \$2 each.

Hogs—Mr. Harris says he was prepared to purchase a thousand more hogs, had they been here, but price are not encouraging, nor is the outlook for prices. The best figures this morning were \$4 65, weighed off cwt; fat sold at \$4 40 per cwt; stores at \$4 50 to \$4 55 per cwt.

The receipts at these yards last week amounted to 273 cattle, 230 lambs and sheep, and 2,694 hogs. The weighing fee were \$100.15.
