ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the Scientific and learned, being one only of many similar ones.

Boston, Feb. 13, 1847.

Mr. Wm. Bogle.—Sir.—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and cleans the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds. WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, a rare plant, of California, an article used by the natives of that country for washing; and does not cause strong stiff, or hurtful to the skin, as it is entirely free from all acrimony, and will not only soften the beard, but also nourish and invigorate the whole body, enabling them to do more work with the same food. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbiverous animals—all diseases arising from, or producing a bad state of the blood, are speedily cured by them. Remember and ask for CARLTON'S COMBINATION POWDERS, and take no others.

CARLTON'S NERVE AND BONE LINIMENT
FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles*, strengthens *weak limbs*, and is also used for *sprains, bruises, sudden falls, swelled legs*, sores of all kinds on Horses.

CARLTON'S articles for *Horses* and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure, in ninety-nine cases out of one hundred, any of the above complaints. They have been used by *Farmers*, Liverymen, Stage Proprietors, and others, with the most marked and decided success.

CAUTION.—*None* can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article.

FOR FEMALE AND MALE.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of debility, impotency, or barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal Emissions, Universal Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhœa or Whites, As an invigorating medicine, it is unequalled. Also, a certain remedy for impotent seamen, from indigestion, loss of Muscular Energy, Physical Lassitude, Fits of Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

CAUTION.—Find the name of Comstock & Brother on the wrapper, or never buy it—the only genuine has their signature on the wrapper.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal Hospitals, and in the private practice in our country, by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually in the Kidneys, Incipient Consumption, Decline of general Health, and Female Weakness, for which it is a Sovereign Remedy. SIR.—I cannot resist informing you of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve me. You may use my name, and am,

THE BRITISH PERIODICALS
AND THE
FARMERS' GUIDE.

LEONARD SCOTT & Co.,
No 54, Gold Street, New York,

CONTINUE to publish the four leading British Quarterly Reviews and Blackwood's Magazine; in addition to which they have recently commenced the publication of a valuable Agricultural Work, called

"THE FARMERS' GUIDE TO SCIENTIFIC AND PRACTICAL AGRICULTURE."

By Henry Stephens, F. R. S., of Edinburgh, Author of the "Book of the Farm," &c., &c., assisted by John P. Norton, M. A., New Haven, Professor of Scientific Agriculture in Yale College, &c., &c.

This highly valuable Work will comprise two large royal octavo volumes, containing over 1400 pages, with 19 or 20 splendid Steel Engravings, and more than 600 Engravings on Wood, in the highest style of the Art, illustrating almost every implement of husbandry now in use by the best farmers, the best methods of ploughing, planting, haying, harvesting, &c., &c., the various domestic animals in their highest perfection; in short, the *pictorial* feature of the book is unique, and will render it of invaluable value to the student of agriculture.

The Work is being published in Semi-Monthly Numbers, of 64 pages each, exclusive of the Steel Engravings, and is sold at 25 cents each, or $25 for the entire Work in Numbers, of which there will be 48 or 50.

The London Quarterly Review, (Conservative,)
The Edinburgh Review, (Whig.)
The North British Review, (Free-Church.)
The Westminster Review, (Liberal.)

Blackwood is still under the masterly guidance of *Christopher North*, maintains its ancient celebrity, and, at the time, unsought by any action, from the serial Works of Bulwer and other literary notables, written for that Magazine, and first appearing in its columns both in Great Britain and this country, from the pens of such works as "The Caxtons" and "My New Novel," (both by Bulwer,) "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, *after it has been issued by Messrs. Have they met the English foe? Why art thou alone, unfollowed? Is it weird, or is it woe?" Like a corpse the grisly warrior looks from out his helm of steel; but no word he speaks in answer, only with his armed heel Chides his weary steed, and onward up the city streets they ride; Fathers, sisters, mothers, children, shrieking, praying by his side, "By the God that made thee, Randolph! tell us what has been the fight to-day." They purge without griping, nauseating, or weakening; can be taken at any time without hinderance from business, change of diet, or danger of taking cold. They neither have the taste or smell of medicine, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable have found relief, and been restored to sound and vigorous health from their use.

Never has any remedy had more reliable and stronger proofs of its good qualities than Dr. Halsey's Forest Pills.

Testimonial after testimonial, showing their great powers of curing in almost every class of disease, have been tendered to us in attestation of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica. New York:—

UTICA, Nov. 9, 1846.

Every fall, for several years back, I have had much sickness in my family of Bilious Disorders, and Ague and Fever. In the fall of 1845, two of my sons were taken at the same time with a Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two boys down with the fever, I was induced to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered their health in a few days. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

Yours, &c.,
ISA S. GOODRICH.

THIRTY-NINE PAINTINGS, as follows:

Edinburgh, News of Battle after Flodden, by Thos. Jones Barker	£130 0 0
Round him rush the people crying, "Tell us all, oh tell us true! Where are they who went to battle, Randolph, Murray, sworn to you! Where are they, our brethers, children? Have they met the English foe? Why art thou alone, unfollowed? Is it weird, or is it woe?" Like a corpse the grisly warrior looks from out his helm of steel; but no word he speaks in answer, only with his armed heel Chides his weary steed, and onward up the city streets they ride; Fathers, sisters, mothers, children, shrieking, praying by his side, "By the God that made thee, Randolph! tell us what has been the fight to-day." Then he lifts his riven banner, and the asker's voice is dumb."	65 0 0
