Gananogue defaulted on Saturday and consequently the game advertised to take place here on that day is placed to the credit of the A. B. C. This compensation affords the Athens team very little satisfaction. They kept their date with Gananogue team and would naturally like to meet and greet (and possibly beat that team here. If no better reason than the hardships involved in the sixty-mile drive can be offered, the remainder of the league games between these two teams might be played on the tan-bark diamond at Lyn. This point would be easy of access for both teams.
The lawn social on the Rectory grounds on Friday evening proved to be one of the most successful and enjoyable social events of the season. The weather conditions were perfect, enabling the ladies having charge of the affair to carry out in full every preparation they had made for the entertainment of the assembly. The bill of fare included ham sandwiches, tea and coffee, ice cream, cake, etc., and the rich repast was thoroughly enjoyed. This event also proved the happy medium through which many had the pleasure of meeting and greeting for the first time the Rev. R. B. Patterson, M.A., rector of Christ church. It was a thoroughly sociable gathering, in which all were made to feel perfectly at home, and a repetition of the event would be popular. The receipts totalled about \$90.
Mr. G. L. Riches, proprietor of the Island City Music Store, Brockville, has introduced what promises to prove a popular feature of his business. He has arranged for a series of free concerts to be given in his neatly appointed show-rooms, the performers to be the best local talent available and the instruments and music employed to be such as he has for sale. The first of these concerts was held on Saturday last, from 3 to 4 p.m., and though but little notice of the event had been given quite a large number of music lovers assembled to hear the very latest vocal and instrumental compositions presented by skilled musicians. The contributors to Saturday's programme were the Fulford orchestra, Miss Dowley, Miss Armstrong, Messrs. Holmes, Fitzpatrick, Gilhooly and Williams. The next concert of the series will be held at the same hour on July 16.

According to the new postal law, newspaper publishers can hold for fraud anyone who takes a paper from the office and refuses payment, and the man who allows his subscription to be unpaid, and then orders a postmaster to mark a paper "returned" and sends notifications to the publisher, lays himself liable to arrest and fine.

Itching Skin
Distress by day and night—That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.
The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.
"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have never had any skin disease since." Mrs. Ida E. Ward, Cove Point, Md.

Hood's Sarsaparilla
rids the blood of all impurities and cures all eruptions.
