William Sharam Tells of His Precarious Condition, and His Happy Release From it.

(Special).—William Sharam, who keeps a general store here, is one of many hundreds to suffer from chronic sickness, and made sound and well by Dodd's Kidney Pills. Mr. Sharam, who is always glad to say a word for the remedy that did so much for him, relates his experience as follows:—

"I spread my back with heavy lifting, and the result was urinary and kidney trouble that left me in a very weak state, and at times I got so weak that I almost fainted, and could scarcely hold up."

"After trying several other medicines without relief, I concluded that it was a Kidney Disease I had, and would find the cure in a Kidney remedy, and decided to try Dodd's Kidney Pills."

"I used ten boxes all told, and now I am as well as ever, and my old troubles were banished."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder. It is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.

The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
