WILLIAM VISITS CHRISTIAN.
Indulges in Earnest Conversation From the First.
Copenhagen, Aug. 1.—The meeting between Emperor William of Germany and King Christian yesterday was of a quiet and informal character. The forts and warships fired royal salutes on the arrival of the imperial yacht Hohenzollern. King Christian was attired in the uniform of a German Uhlan.
The Monarchs embraced and Emperor William conveyed to King Christian the greetings of Emperor Nicholas of Russia. The party immediately entered carriages and drove to Bernstorff Castle. Throughout the drive the Emperor was in earnest conversation with the King and took little notice of the decorations or the populace.
The Monarchs walked together in the palace gardens and last night there was a state dinner.

A VILLAINOUS OUTRAGE.
Young Woman Drugged and Taken From Bedroom.
Edmonton, Aug. 1.—A villainous outrage was perpetrated in Strathcona Sunday morning, when the daughter of Mr. Joseph Tuck, proprietor of the Ontario boarding house, was drugged and removed from her bedroom by parties unknown. About 4 a. m. Mr. Tuck heard frenzied screams, and the sound of people running down the back stairs. He rushed out of his room and found his sister-in-law already in the yard in a great state of excitement. She had been sleeping with his daughter and implored him to see after her. He rushed back upstairs and found his daughter chloroformed, lying in a vacant room. With assistance he succeeded in restoring consciousness, but no clue to the perpetrators of the outrage has been discovered.

TARIFF COMMISSION SOON.

The commission will hear individuals as well as organized bodies, such as farmers' associations, boards of trade, manufacturers' associations, fishermen's unions, miners' associations, etc. All communications respecting the inquiry should be directed to Mr. John Bain, Assistant Commissioner of Customs, Ottawa, who is to act as secretary.

Colored Folks From Several States Flock There To-Day.
Windsor, Aug. 1.—Windsor is to be the Mecca of hundreds of colored people, coming here from all parts of Ohio, Indiana, Michigan and the western states, to celebrate Emancipation Day to-day, Aug. 1.
A parade will be held in the morning. In the afternoon they will adjourn to Sandwich, Ont., and will play baseball. Nearly every prominent man in Windsor is invited to speak.
A banquet at night will end the festivities.

Cut to Pieces by Hail.
Chatham, Aug. 1.—On Saturday evening Chatham Township experienced one of the most disastrous hail storms in years. Great damage was done to standing crops, and especially to the oats and corn. Garden stuff was literally cut to pieces. During the storm the barn of William Newkirk on the 8th concession, Chatham, was struck by lightning and burned with its contents, including all this year's crop. The loss is partly covered by insurance.

Tree Saves His Life.
Paisley, Aug. 1.—Norman Bean of Bean Bros., painters, fell 35 feet yesterday, lighting partly on the granite sidewalk and partly on the ground. He was engaged at painting the corner on the Hanna House by means of a step ladder upon a scaffold, when the ladder broke. A shade tree upon which he found a friendly limb, helped to break his fall. He received a broken wrist and is injured internally.

THROW MEDICINES TO THE DOGS.
At best they are unpleasant, often useless. You have some disease of the nose, throat or lungs. Doctors would call it bronchitis, asthma or catarrh. The common root of these diseases is germ or microbic irritation. Catarrh is not only destroys disease germs, it does more, it heals diseased and inflamed tissue. The disease is not only cured, but its return is forever prevented by using Catarrhoxone, which is splendid also for colds, coughs and trouble-throats. Remember, you inhale Catarrhoxone—Nature's own cure—use no other but Catarrhoxone—it's the best catarrh cure made.
When a woman knows a little loves her there comes a feeling of the sweetest contentment.
Putting food into a diseased stomach is like putting money into a pocket with holes. The money is lost. All its value goes for nothing. When the stomach is diseased, with the allied organs of digestion and nutrition, the food which is put into it is largely lost. The nutriment is not extracted from it. The body is weak and the blood impoverished. The pocket can be mended. That sterling medicine for the stomach and blood, Dr. Pierce's Golden Medical Discovery, acts with peculiar promptness and power on the organs of digestion and nutrition. It is a positive cure for almost all disorders of these organs, and cures also such diseases of the heart, blood, liver and other organs, as have their cause in a weak or diseased condition of the stomach.
When some men offer to bet they only thing they put up is a bluff.
