Mr. Douglas, of White Rock Mills, recently purchased a cow from Mr. G. P. A. Patterson, of Horton Landing, which has made a good record as a butter maker. In eight days after delivering a quart of milk from each milking, and setting the milk only from morning until night and from night until morning, fifteen pounds of butter was made. In the next six days using all the milk, fifteen pounds was obtained. Mr. Douglas has no doubt but that eighteen pounds of butter per week can be made from this cow. She is certainly a treasure.

Remember the sale at Carter's, Windsor, N. S., is only advertised for three weeks. Secure what you want in Dry Goods, Clothing, Carpets, &c., and save dollars.

Sir C. H. Tupper and Dr. Borden
Cross Swords.

A public meeting was held in Aberdeen Rink on Friday afternoon last, addressed by Sir Charles Hibbert Tupper and Dr. Borden. Dr. Chapman presided. Sir Hibbert was the first speaker, and for about an hour held the close attention of the audience, as he dealt with the issues of the day in his forcible and eloquent manner. He was frequently interrupted by bursts of applause. The National Policy, had, he argued, been a policy of progress and development. Sir Hibbert made a fine speech, at the close of which he was cheered most heartily. His presentation of the Government's policy on the Manitoba School Question, was masterly and convincing. They were bound, by the decision of the Privy Council, to restore the rights of the Catholic minority.

Dr. Borden was then announced, and spoke for a little over an hour in reply, and showed up the various inconsistencies of the government, and maintained that the National Policy had fostered confusion, by which the masses were oppressed. He dealt with the Manitoba School Question by reading copious extracts from his speech delivered in the House of Commons last winter, while the matter was under discussion. Nothing could be contained, he gained by "coercion." On resuming his seat, the Dr. was most enthusiastically cheered. Sir Hibbert closed the meeting with a half-hour speech, replying to the arguments advanced by Dr. Borden.

The gathering was a large one, but very orderly.

High-handed Work.
The miscreant who entered the grounds of the Baptist Parsonage and removed a number of choice rose bushes, flowers, etc., will do well to return same at once, as the trustees are likely to try if there is any law to protect property that does not happen to be under lock and key.
