The Telephone City nines in the Brantford-Hamilton League are simply "stringing" along.

Those Brantford nines should hook up with London and leave the Hamilton teams free to play against Toronto aggregations.

Flanagan took a tumble and called off that wrestling turn to his athletic meet mext week, or is Scarboro' Beach to be the business address for the most disgusting, brutal and inhuman sport possible with the exception of bull fighting that we know of? What one sees in witnessing a couple of men gouging one another's eye out or crushing of bones is beyond us, and the east end park is ill advised if it allows this kind of jerkwater, shady amusement to figure upon its athletic programme."

From the Toronto Globe: There is a smart little horse named Chief Hayes, who has been in the hands of a trainer normed W. Forman, well, and none too favorably, known in Canadian racing. For several years Forman has had a precarious footing on the turf, but it slipped away from him at Montreal last week. Horse and trainer were under close observation at the Toronto meeting, and reports on them were transmitted to Montreal, where the observation was continued by the same officials. The horse showed a quite unnatural improvement that was anticipated by the people who supported him heavily likely in the continued of the proper of the flayes made a new track record for seven furlougs, but the "good thing" that Trainer Forman "pulled off" was at the expense of his further connection with the turf. The stewards harred him from the present meeting, and recommended to the Canadian Racing Association that his license be revoked. The alleged owner of the horse is G. D. Bryan, junior, said to be a Baltimore man. No more entries of horses in that ownership will be accepted, and unless there is a bona fide change of the ownership of Chief Hayes, satisfactory to the authorities, that horse is eliminated from future racing on recognized tracks. Jack Johnson now swings on the intelligent reader with the argument that he refrained from showing up Jack O'Brien because he did not care to tip off some of his choicest tricks to some prospective opponents who were in the crowd taking profuse notes. In other words, Mr. Johnson would like to have the easily led vaudeville public believe that he dissembled in the furtherance of a diplomatic purpose. And it goes—anything goes. The papers are full of it and the gawks are eating it up. Therefore it will serve no useful purpose to say that that sleeve of Johnson's contains nothing that won't look worse when it's peeled.

Alfred Shrubb's time Saturday night.

Alfred Shrubb's time Saturday night t Toronto Island was fine, the best of ther recent performances being that f Paul Akoose against Appleby at 15 lifes in Winnipeg, who covered the twelve miles in 1.04.49 1-2, and his own time against St. Yves 1.04.40 in a 20-mile race. The times made in Mara-thons at the twelve miles were all much

slower.

Deerfoot's hour record was 11 miles.

P70, yards. This was broken by F. E.

Racon's 11 miles 1213 yards on June 19,
1897. Watkins, in turn, added 43 yards
to that distance on September 16, 1899,
when he covered 11 miles 1286 yards in
the hour, which is considerably better
than Shrubb's time on Saturday night.

Toronto World: There was a new world's record in the 16-pound hammer throwing at New York on Saturday, the maker being John J. Flanagan. His throw was 174 feet 10 128 inches and this beat the former mark, which was only a few days old, of 174 feet 33.8 inches. Fianagan's fifth attempt earned him the honor, but a foul throw in his last trial was much better. Good as this was however, it gained only second prize, as Con Walsh, who has lately been recruited to the winged foot, had 10 feet handicap and he won with an actual throw ed to the winged foot, had 10 feet han-dicap and he won with an actual throw of 165 feet 53-4 inches.

NO TRICOLOR FLAG.

Montreal, June 13.—The great Roman Catholic fete, the Corpus Christi, was celebrated to-day by a great procession in which all the Roman Catholic organizations took part. A striking feature of the procession this year was the almost entire absence of any French tricolor flag, and the profusion of British flags carried.

He pitched a rattling good game, striking out eight men, issuing only one triking out eight men, issuing only one harity, and allowing only five hits. "SOCCER" LEAGUE.

Other Winners.

R. H. Y. C. Races on Saturday Afternoon.

In the Hamilton Soccer League on Saturday the Lancashires again demonstrated the fact that they are a super-ior team to the St. Luke's, and in the game on the Sherman avenue field won by a score of 6-0. The Lancs lost the toss, and kicked off against a strong rather loose play was indulged in. Healey, who was late in arriving, went on and at once secured the ball and drove a long pass across the field to Barker, and he skipped away, but Crockett stopped him. Good play was seen on the part of Fennel, who tried one of his daring dashes, but finished on the wrong side of the upright. After on the wrong side of the upright. After some very good kicking Coombes was given offside. By the aid of the kick St. Luke's dashed down to the Lancs' goal. Herries went to the rescue and by vigorous play finally cleared with a good kick. Healey got away and down the centre under full sail, and after outwitting his opponents kicked it so that H. Taylor only had to tap it to put it between the posts. The lineup was as

Lancashires (6)— T. Dowell, Smith, Harries, Coombs, Whittle, Gibbons, Barker, Taylor, Healey, Fennel and Eccles.
St. Juke's (0)—A. N. Other, Crockett, Dixon, Payne, Pritchard, Coleman, A. Coleman, Smith, Hastings, Quinn and

hard to block the shots that were continually raining on the goal. The goal keeper kept the ball clear for a time by dint of hard work, but the pace was too much, and the Westinghouse scored their first goal. When the ball was again put in motion the City team railied and things looked brighter, but the Westinghouse were to well tried out a team to nouse were too well tried out a team to house were too well tried out a team to play loosely for any length of time, and soon came back and scored another goal before the whistle for half time sounded. In the second half the Westinghouse again demonstrated their superiority over the City team, and piled up three more goals, making the final score 5—0 in favor of Westinghouse. Saturday was an ideal day for base-bali, and the amateurs took advantage of it by being out in full force. All the fields were occupied and some rattling good ball was played. The first games in the City League series at the new things looked blue for the Alerts, but

The Baysides had the Leafs in some tight positions, but through poor coaching the losers could not score, Marshall, the twirler for the east enders, was in good form, and did fine work in the box, Nevilles, in left garden, was the only other player that distinguished himself on the Leafs. Carter twirled his usual good ball, having seven strike-outs and fielded his position perfectly. The teams lined up as follows:

Maple Leafs (3)—Moyer, Salisburg, O. Smith, Bulger, Sherby, Nevilles 1.f., Reardon lb, H. Smith, Marshall p.

good ball was played. The first games in the City League series at the new Maple Leaf Park were played and under fine conditions the teams demonstrated that they can dish up a rare article of ball. The diamonds were in excellent shape. The big game of the day was the Alerts-Keystones game, which the Alerts won. There were no league games at Victoria Park. The Barristers, for unknown reasons, refused to play the Broadviews.

The first game at Maple Leaf Park was between the Baysides and the Maple Leafs, and despite the fact that the north end aggregation put up high-class ball, through their usual hard luck, lost again by a score of 3-0. The Maple Leafs would land on the ball at the right time. Maple Leafs scored one run in the third, and two more in the fifth, which at the bottom of all were errors. The Baysides had the Leafs in some tight positions, but through poor coaching the losers could not seeze Marshall.

The games in the Church League were well attended. In the first game the Ascensions defeated the St. Thomas' lot to 5. The Ascensions scored in nearly every inning, and the result was never in doubt. The Saints made a few attempts to even the score, but were prevented from doing any damage by the good work of the Ascensions. Taylor was the slab artist for the winners, and was in fine form. Wheatly pitched a rattling good game, having 11 strike-outs, and only issued four charities. His poor support was mostly responsible for their defeat. The teams lined up as follows: Ascensions (10)—McKelvey If, Manson 1b, Taylor p, Crocker 3b, Oliver rf, Watson ss, Precious 2b, Beltz ef, Medley c.

There will be a meeting of the City League on Tuesday evening to rearrange the schedule. In an exhibition game at Cotter's Field the Night Owls defeated Mount Hamilton 11 to 2.

The Young Canadians defeated the Delawares 12 to 7.

In the Junior East End League the Granites defaulted to the Alerts II. The Granites have dropped out, leaving only four teams in the league.

In the Kids' League at Fearman's Field the Blue Labels defeated the Quicksteps 12 to 6. The feature of the game was the work of Southpaw Broome, who was on the slab for the Labels. The batteries: Broome and Jamieson: Cooke, Eaglesham and Michael. Umpire—Cohen.

The Baysides' team will be changed around for the next game. They have the material for a good team.

The City League will only play on one diamond, and will hereafter be a sixteam league. The Eurekas, Blue Labeis and Barirsters have droped out, and will join the "Outlaw" City League.

The Hurons defeated the Rivals on Saturday afternoon at Armstrong's field by a score of 19-1. The Hurons touch-ed "Southpaw" Bailey for many hits.
