

### WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultze's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

### LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers.

Doesn't hurt a bit! Drop a little Frezzone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots flunish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

### Finger Prints Show Long Criminal Record

Again illustrating the value of the finger print system in keeping track of suspected persons who from time to time wander across the pathway of the police, Chief Rideout, who makes systematic use of the Bertillon Method, Saturday received word from Ottawa, that the prints of one Arnold Reid, who a short time ago applied at headquarters for protection over night, are identical with Arnold Reid, No. 7320, whose criminal record is a long one. At the time this man was in Moncton, the police were convinced that he had a record and accordingly saw to it that he left the city the next day. His record as furnished Chief Rideout is as follows:

### Dutch Press Against Kaiser's Surrender

The Hague, Oct. 26.—(By the Associated Press)—The entire Dutch press joins in scathing criticism of an article advocating the surrender of the former German Emperor for trial which appeared recently in the weekly journal New Amsterdamer. In the article the editor, Professor J. A. Van Hamel, the Dutch publicist, who was selected by Sir James Eric Drummond, Secretary General of the League of Nations, as head of the legal department of the secretariat of the League, argues that the question of extradition of the former Emperor should not be treated as a purely legal matter. It should instead be regarded from the point of view of the new jurisprudence, belonging to the new era and formal judicial obstacles should not be permitted to stand in the way of the extradition of Wilhelm of Hohenzollern.

### Guard The Children From Autumn Colds

The Fall is the most severe season of the year for colds—one day is warm, the next is wet and cold and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose will prevent colds or if it does come on suddenly the prompt use of the Tablets will quickly relieve it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### COAL STRIKE CANNOT BE AVOIDED

Indianapolis, Ind., Oct. 29—"A strike of bituminous miners cannot be avoided," was the outstanding conclusion of a statement issued today by the conference of the United Mine Workers of America. Blame for the situation was laid at the feet of the operators because they had refused to negotiate a wage agreement notwithstanding the fact that the mine worker's representatives had urged and beseeched them to do so. The miner's, the statement claims, will be exercising constitutional rights in striking. The statement of President Wilson as it appeared in the newspapers and added that no communication on that subject had been received from the federal administration.

### Canadian National Railways Increased Service

A daily Transcontinental service between Toronto—Winnipeg—Vancouver—Victoria, is the principal feature announced in the Canadian National Railways Fall and Winter time table. This train will leave 9.15 P. M. daily and will be equipped with up-to-date sleeping, dining, first-class day coach, tourist and colonist cars. Between Toronto and Winnipeg there will also be a compartment-observation library car. A parlor car will be attached for the convenience of passengers, while travelling through the Rockies, so they may enjoy, in the utmost comfort, the magnificent scenery for which the Canadian National route is famous. Further particulars can be obtained from Passenger Officers of Canada's National system of Railways.

### Boosting the Victory Loan

The Victory Loan campaign is now started on the Canadian National Railways. From the Atlantic to the Pacific the various departments have been asked to participate. On every district, every division, a systematic and thorough canvas will be made and every employee will be given the opportunity to be a bondholder. The 1919 Victory Loan is for Reconstruction and rehabilitation after the strain of the war. Canada did not fall in her war efforts. Canada will not fall in the work of reconstruction. The people of Canada will respond to the appeal to put their savings into harness for Canada's benefit, so that industries will not slacken, nor production decrease. The prevailing prosperity must be maintained and the duty of every Canadian is to help Canada "carry on."

There's no surer road to prosperity than via the Victory Loan Route. There is no better medium for thrift. Every railroad worker is given the best opportunity to buy these Bonds by installments and thus lay the foundation of a savings account. Victory Bonds pay 5 1/2 per cent interest. They are the pledge of Canada—no better security in the world. "Every employee a Bondholder" is the railway slogan.

### Draft Horses Needed Overseas

The scarcity of draft horses both for city trade and farm work exists not only in Great Britain but on the continent. Belgium is in need of large numbers of moderately priced horses for the use of repatriated peasants. In the Agricultural Gazette for October appears a statement by Mr. H. S. Arkell Live Stock Commissioner, who recently visited Europe and found on inquiring into the horse trade that France is in the market for farm horses of Percheron type. In fact country work horses are scarce and worth six thousand francs each. Greece, according to the Live Stock Commissioner, is now making inquiries regarding light horses and dairy cattle.

### Want to Feel Just Right? Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "lossy" headachy, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

**TROUBLE IS**, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way. If habitually or stubbornly constipated, take one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling just right.
