All ministers of the denomination, and an elder or other representative from each congregation or "honorary" group of Presbyterians throughout the bounds of the Synod, are expected to attend. The opening service will be in the United Presbyterian Church, at eight o'clock in the evening. Reverend Albert Johnston, M. A., moderator; preaching and presiding. Following this the Synod will be organized and will proceed as usual, notwithstanding the defection of a number of ministers and elders during the year to another communion. Matters of the greatest concern to the denomination will be considered, including reports from the one hundred and twenty-five churches that have remained loyal to the old faith, the supply of ministers for the winter, home and foreign missions, legal and financial matters, Sabbath schools and their needs, and all other matters touching the work of the denomination. Mr. Thomas MacMillan, of Toronto, chairman of the new Board of Administration appointed in June by the General Assembly, and a leading foreign missionary, will be present and give addresses. The meeting on Thursday evening, October 8, will be a joint meeting with the Women's Missionary Society, which has been arranged to meet at New Glasgow also Oct. 7 to 9, thus unifying and co-ordinating the work of the Synod and that of the women. Arrangements for the entertainment of the large number expected are in the hands of a competent committee locally and with large delegations already assured from all the three province prospects are right for one of the most interesting meetings in the history of the Synod.

C.N. EXPRESS MEN GET NOTICE TO QUIT

It was reported on Saturday that 12 of the express messengers on trains between Saint John and Campbellton had received notice that after the last of September their services would no longer be required and that the duties performed by them would be taken over by the baggage men on the trains. It was said that in view of the addition to their duties the baggage men would receive more pay. The C. N. Express and railway officials had nothing for publication on

this matter but H. R. Hauch, Moncton, superintendent of the C. N. Express for the Atlantic region, said the report was partly true.

It had been arranged to take two express messengers off between Newcastle and Fredericton and one off between Newcastle and Loggieville. There was also one man to be laid off in Nova Scotia. Mr. Hauch said there would not be any men laid off the trains running between Saint John and Moncton and the trains running between Moncton and Campbellton on the main line. He said that the baggage men who took over the duties formerly performed by express messengers, would receive an addition to their salaries.
