The Review of Reviews for Jan labor questions, the Hawaiian question and the Administration's policy with regard to that subject, civil petus! Adoration. isbor question, the Hawaiian question and the Administration's policy with regard to that subjec, civil service reform as applied to our diplomatic and consular as well as other branches of the public service, and a great variety of other topics of the day. Foreign affairs are briefly but clearly presented, and this department, entitled "The Progress of the World," presents in some twenty pages a broad and frank treatment of affairs, political and social, from Canada to Capetown. Among the portraits interesting the flight of Jean Valjean with Cosette, draws a picture of the life and interior of a convent of the Benedictine Perpetual Adoration in France. This picture, convincing in its pi Rebertson, Jr., chairman of the New York State Board of Arbitration: Vice It is same as that of the order which a glass of water. The boards of this

A PROLONGED PAST.

These buried women—with two destrip, formerly Master Workman of the Schiefer, and the world—never see mortal man except the Archbishop and his priest, and their own fathers and brothers, and these dear ones they are not supposed to new factor of the New York Kinders and societion; Mayor Schieres, of Brooklyn; Rev. Dr. Charles H. Parkhurst: Mr. Daniel S. Rymsen, Secretary of the New York Kinders are the day they entered the community room, where shed, of Chicago; the late Sin of Wood or stone, except the poor cutlery and erockery from which they eat, and the small iron and the world—never see mortal man except the Archbishop and his priest, and their own fathers and brothers, and these date ones they are not supposed to need heat while they eat.
