Wife vs. Tobacco.

You promised to leave off your smoking
When at first I consented to wed,
How little I thought you are joking,
How I fondly believed what you said;
But, alas! how completely you sold me
With blandishments artful and vain,
When you emptied your snuff-box and told me
You never would fill it again.

Those fumes so oppressive, from puffing,
Say where is the solace that flows,
And whence the enjoyment of snuffing,
A parcel of dust up your nose?
From the habits you now are pursuing,
There can be no pleasure conferred,
How irrational then is so doing,
Now is it not very absurd?

Cigars come to sixpence each, nearly,
And four cents an ounce for your snuff,
Consider how much you then yearly
Must spend in the horrible stuff.
Why the price in tobacco you spend, love,
The wealth in your snuff-box you sink,
Would procure me of dresses no end, love,
And keep me in gloves, only think.

What's more, for your person I tremble,
'Tis going as fast as it can,
Oh how would you like to resemble,
A smoky and snuffy old man.
Then resign at the call of affection,
Those habits I cannot endure,
Or you'll spoil both your nose and complexion,
And ruin your teeth, I am sure.

ODDS AND ENDS.

Straining sweetness—kissing through a veil.

We must tell some men a great deal to teach them a little.

"There's raisen in everything," as Pat said of plum-pudding.

What bone is best developed in a policeman?—The "collar"-bone.

A little old maid says that the smallest woman look hopefully to Hymen.

A man cannot possess anything that is better than a good woman, nor anything that is worse than a bad one.

What is the difference between bayonets and bullets? Bayonets are driven, and bullets are lead.

Why would a spider be a good correspondent? Because he drops a line by every post.

An exchange remarks that wood will last much longer if left for the womanfolks to split.

A critic said of a famous singer—"She sings a few airs, and puts on a great many."

A disgusted Danburian wants to know, if a woman was designed to be the equal of man, why is it she can't whistle.

What is the best argument against young ladies standing up to play at cricket?—Because they never ought to be bowled.

Temperance people so detest the very name of drunkenness that they even object to England being styled a tight Island.

One of the ancient fathers said:—A man should be prepared for death the day before; but as he does not know when that day is, he should always be prepared.

It is not the most demonstrative of our friends who care most about us. Scores of people wish us well who do not feel impelled to stop us on the street and say so.

There is a man down our way so fond of money that it is said, after paying a man's bill, he walks down home with him so as to be near the money as long as posible.

By Our Cook.—There is a time at which lamb becomes mutton. There is a time at which the mint sauce of flirtation has to be discarded for the currant jelly of serious intentions.

A Highland porter once observed a stranger looking intently at Dr. Candlish. He forthwith called out, "Ay, tak a gude look; there's no muckle o' him, but there's a deal in him!"

What comes after T? asked a teacher of a small pupil, who was learning the Alphabet. He received the bewildering reply: 'You do—to see 'Liza.'

Those old soakers never lack for arguments. Lately one replied to a temperance lecturer by the following: "If water rots the soles of your boots, what effect must it have on the coat of your stomach?"

A man left a bony steed on Main street last Saturday, and, coming back a short time afterwards, discovered that a funny youth had placed a card against the fleshless ribs bearing the notice, "Oats wanted—inquire within."

There is a story of Judge Grier, which everybody delights in, how he set aside the unjust verdict of a jury against an unpopular man, with this remark: "Enter the verdict, Mr. Clerk. Enter, also, Set aside by the court. I want it to be understood that it takes thirteen men to steal a man's farm in this court.

An Aberdeen minister, catechising his young parishioners before the congregation, put the usual question to a stout girl, whose father kept a public-house—"What is your name?" No reply. The question haveing been repeated, the girl replied, "Nane o' your fun, Mr. Minister, ye ken my name weel enough. D'ye no say, when ye come to our house on a night, 'Bet, bring me some ale?'"

When a man milks a cow he should not attempt to smoke a cigar at the same time. A young man out in the country tried it, and got along well enough until he lowered his head and touched the cows flank with the lighted end of his weed. The next instant himself and cigar were dreadfully "put out." The cow introduced about two tons weight into one of her hind legs, and then pressed it under the milker's left jaw. When he ceased whirling around, and myriads of stars had disappeared, he said farming was the hardest work a man could put his hand to.

The Vegetable World.—There was great stir in our garden the other day. The Potatoes were ready to jump out of their skins. The Beet turned red to its very roots. The Celery lost their heads, and the Cabbage their hearts. The Peas split their pods with excitement. The Asparagus could with difficulty be kept in its bed. The Parsley curled itself up in a corner. The Cucumber alone maintained his habitual coolness. The cause of all this commotion was the presence of a noted Vegetarian. The Potatoes never took their eyes off him.

A Paris journal tells the story of a beggar who presented himself regularly at a certain coffee-house with a clarionet under his arm. 'Will you allow me, gentlemen,' said he in a humble tone of voice, 'to play a tune? I am only an amateur, and if you prefer giving me a few coppers, I will spare you the annoyance of listening to me.' Every one felt at once for a few stray coppers, and the musician departed with a profound obeisance.—This he repeated several evenings in succession. At last, one evening, a young man who had never failed to contribute to the wants of the itinerant musician asked him in a friendly manner to give them a tune; let it be good or bad, he wanted to hear him. 'But I am afraid, sir, I shall disappoint you.' 'Never mind that: give us a tune.' 'But I am a very poor player, and I have a very poor instrument.' 'No matter for that; I want to hear you.' 'Well, sir, since you insist upon it,' said the poor man, 'I will tell you that I don't play at all. I carry this clarionet merely for the purpose of threatening people with my performance.'

How to Soar like a Kite.—Every schoolboy knows that a kite would not fly unless it had a string tying it down. It is just so in life. The man who is tied down by half a dozen responsibilities and their mother will make a higher and stronger flight than the bachelor, who, having nothing to keep him steady, is always floundering in the mud. If you want to ascend in the world tie yourself to somebody.

The *Pekin Gazette* is the oldest journal in the world. It is printed on a large sheet of yellow silk, and appears in the same form, with the same characters, and on the same kind of stuff as it did a thousand years ago. The only change is in the writers.

TO THE PUBLIC OF

British North America.

In consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of the "New York Chemical Company") making and selling something which they call "Holloway's Pills and Ointment," and which, for a season, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment, I have for some time past considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Cassard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. T. Des Brisay, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Mssrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chaloner, St. John, N. B.
Messrs. Hanington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices, in quantities of not less less than £20 worth—viz, 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY.

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

London, Dec. 1, 1873.

It is not what you eat but what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is Nature's own remedy for derangements of the digestive organs; purely physiological, harmless, and positively certain to restore nervous and muscular force.

DR. J. BELL SIMPSON'S
Specific and Tonic Pills.

The great English remedy for Nervous Debility, Spermatorrhea Nocturnal Emission of the Generative Organs, Palpitation of the Heart, Tremblings, Sleeplessness, the effect of over-indulgence in alcoholic stimulants and tobacco, &c. Dr. J. Bell Simpson's Pills are the only effectual ones for the above diseases, and are never known to fail. They have already cured hundreds in this country. Robert Arthur, machinist, Hamilton, testifies to his recovery by their use. Safe, certain and rapid in action, a short trial will prove their efficacy. No sufferer need despair of being relieved from the frightful effects of Self-Abuse. The Specific Pills are sold by Druggists at $1.00 a box, and the Tonic Pills at 50c. a box, or they will be sent by mail, postage prepaid, and securely wrapped from observation, on receipt of $1.00 for the Specific, and 50c. for the Tonic Pills by

J. BELL SIMPSON & CO.,

Grateful Thousands proclaim Vinegar Bitters the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the off-springs of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, Walker's Vinegar Bitters have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walker's Vinegar Bitters occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminitics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
