The value of fresh supplies Quebec, Dec. 4.—Theodore Tanguay, for the trip north in 1906 was \$12,- an aged man, whose sudden death in Hon. Mr. Fielding informed the Hon. Foster that he was not in a position to make a statement re-

presented shortly. Replying to Mr Borden, the finance minister said: "All new provincial subsidies had been paid except to Alberta, that delay being due to a question in the crops, but a full statement would be interpretation of the act. It would probably be settled in a few days.

The Minister of the Interior informed Dr. Roche that the order-incouncil had been passed May 16, per nitting permits to be granted to saw mill owners for timber cutting ap-

the order and timber to the extent of 2,420 thousand feet cut. Mr. McDonnell read a telegram from the Mayor of Toronto to the effect that 300 destitute Bulgarian immigrants had reached that city. The Hon. Mr. Oliver was not advised on the subject. He would look inte

plied only to small mills. Thirty two permits had been granted under

Mr. George Taylor complained of the train service to Brockville, whereupon a general voicing of complaints was made by members, especially those from Ontario. Hon. Graham expressed his symapthy, promising to draw the attention of the railway commission. The debate was resum-ed by Mr. Clements, East Kent.

Advantages of New Treaty

Ottawa, Dec. 3.—The more the Franco-Canadian treaty is looked into the more apparent does it become here how important the advantages are to be to Canada. It will greatly stimu late trade with France especially in such lines as wood, pulp and dairy products and agricultural implements It is also understood that France intends making a thorough revision of its tariff along the lines of higher protection so that the contemplated increase will give Canadian products under the new treaty the greatest behefit in the French market. Canalian manufacturers will have an adantage over other manufacturers out-

Arrests followed an investigation into losses suffered by the company recently, and in connection with the arrest is also William Swinton, employed in the

C.P.R. sheds. The men are up to-day for the preliminary hearing. Ingenuous Blackmail. Ottawa, Nov. 4.-It was learned to-

day that other charges of blackmail may be laid against John R. Labatt. Besides Hon. Mr. Emmerson, there are several Ottawa people to whom written documents were sent demand 500 to \$5,000. Some of these are ladies, however, who do not desire publicity, and their names are kept secret. Col. Sherwood, of the Dominion police, thinks Labatt simply had a mad idea to see how far the scheme would work. It was carried out in the most ingenious manner and for months defied the police to locate the sender. Labatt may plead guifty, in

which case no further prosecution will be undertaken in order to avoid pub-

Skin Grafting Operation. Ottawa, Dec. 4-A remarkable skin grafting operation was performed here today. Engineer Herbert Reynolds, who was injured in the Clan-tagenet wreck on Sept. 11th, has been lying in the hospital since and there has been some doubt of one leg, from which most of the skin and flesh was burned off, could be saved. However, Dr. Kidd said if the skin of a healthy man could be procured he would have fighting chance. Hearing this fourteen railway men promptly volunteered and from the arms of ten of them pieces of skin were grafted on to Reynolds' lime.
