**The Best Day's Baking**

Good—better—best! The class to which your flour belongs determines the success of your baking.

Good flours are common. Better flours are not at all rare.

But there is only one flour that has the uniform fineness, the uniform quality, and the superlative nourishment that entitle it to be called *best*—and its name is Rainbow Flour.

We accept only the best hard wheat in the world for Rainbow Flour.

We leave only the cream of this wheat after we have milled it.

There's not one speck of fibre, not a trace of skin or germ. Only the fullest nutriment of the wheat is present in Rainbow Flour.

Rainbow Flour is your guide-post to the best day's baking. It leads straight up the happy road to results. Don't fail to try some.
