LETTER FROM THE FRONT.

J. M. DEVINE, The Right House,
Corner Water and Adelaide Streets.

Dear Sir,—Just a word to say we are all fine and that the Old Country is quite up to my expectations. All hands are well. We had a nice time coming across—twas a great sight to look at the ships lined up. I must confess, leaving the Narrows and dear old South Side Hill behind, made me feel kind of lonely, but such feelings soon disappeared. We are training hard and hope to be on the firing line at an early date. By the way, that Underwear you supplied the Regiment with is great stuff. They could scarcely believe in England 'twas made in Newfoundland. We are all comfortably fixed. I notice some of the papers are slightly twisting again politically. 'Twas ever thus. We'll do our duty and we cannot do more.

Yours faithfully,
TOMMY.

Get ready, mothers, for Friday and Saturday are going to be great days at DEVINE'S on the Corner. Buy—buy all you want, the quantities are good, the price is low, and as usual you will enjoy the treatment our sales help will give you.

A remarkable tribute to the bravery of British soldiers fighting in France, is paid by Field Marshal French in a special order, part of which was published here to-day. The order, addressed to the Second Brigade Army Corps dated Field Headquarters, Nov. 3rd, says in part: "Your Commander-in-Chief watched with deepest admiration and solicitude the splendid stand made by soldiers of His Majesty the King in their splendid efforts to maintain the forward position which they have won by gallantry and steadfastness. Their courage and endurance are beyond all praise. It is an honor to belong to such an army."

CAPTURED A BATTERY OF HEAVY ARTILLERY.

PETROGRAD, To-day.
Official.—The efforts of the Germans seem to be aimed at trying to break down our front between Vitula and Warta. Our offensive on Nov. 19th, met with partial success. In the northwest to-day we captured a battery of heavy artillery, ten machine guns and several hundred prisoners. Stubborn fights on the front of Czenstochowa and Cracow are developing normally. On the 17th and 18th we took three thousand Austrian prisoners. In Galicia we have occupied Wisnicz, Gerlicze, Gukla and Ujez.

S. A. REBELLION PIZZLING OUT.

LONDON, To-day.
The South African rebellion is rapidly fizzling out. General Beyers and his rebel force, suffered defeat near Kimberley, but the General escaped himself. Kistner, an officer, and 74 men and one hundred horses were captured. Von Remberg, a member of the Free State Provincial Council, with 65 rebels was also captured. Commandant Rensberg with 154 men surrendered. Brandford and another commander have done the same at Dewetsdorp. The period for amnesty expires on Saturday.
