THE WORLD'S PRESS.

THE SWEET TOOTH.

Angeles Times: There must be money in candy after all. A offers the City of New York a year as the concession price candy stand at the municipal landing at Staten Island. It is stood that the Gothamites are ever all-day suckers.

CREDULITY.

Daily Herald: Who are the What swallow silly stories of ul like that current now about Carnarvon's death being due to venge of Tutankhamen? Is not ge of mind that is most attract- stories of magic a type in- of realizing and appreciating ltr wonderful things that are t-going on round about us all

AIR TRANSIT MARVELS.

man's Journal (Dublin): Are marvels that are really coming to imagination only? The Brit- Ministry has succeeded, it is perfecting an engine each of which will develop over hundred horse-power. One such is credited with sixteen ers, which will give three thou- horse-power, and will cross Atlantic in twelve hours.

WEALTH FROM THE SUN.

Times: It was the applica- science to modern life which ed away from our sight the fields and the sunlight falling leafy branches. She kindled fires among our hills and valleys, the smoke of them for a genera- has darkened our skies. But it is science, repenting that ment, which bids us save our- She has measured the price of cities and mean streets; it is disease, the suffering of little

SMOKING HEMP.

Advertiser: Tobacco, it has declared, possesses sedative clears the head and calms the in times of distress. The hemp by the native, "from time rial," as the magistrate put perfectly clears the head of the that there is not the smallest left in it, and it is more than , if our protective power undeveloped races is to be in the years to come, that ples should be taken to re- growing evil.

SPENDING THE TAXES.

Australasian: The country re- Ministry that will recognize ition, even for necessary pur- is a drain upon the community, that Government can spend collected from the people less rigously than the people can it if it is left with them. Those able to economy do not complain money spent to pay interest on ses. It is a burden, but a neces- burden. They do object to Gov- ment lading out money extracted the taxpayers as a whole for the of sections, whether those are meat producers, sugar- , or skilled tradesmen, look- highly paid and useless work yards.

At Mercy of Gale.

TWO NIGHT OF TERROR AMONG ICEBERGS.

being swept along for nights ys through a Newfoundland without food and with their coated with ice and snow, the bers of the crew of the Brit- schooner Rita M. Cluett have at ached England. They were at Plymouth from the liner ast Fillmore, which came up the schooner when the men's of hope had gone. For 63 the Rita M. Cluett had been try- make St. John's from Oporto. seized her when she was only distance from port and drove ck through huge icebergs, continually threatened to crush sel. Added to this terror were rtships of the protracted voy- his only water was from melted and the crew would have col- had it not been for a small y of port wine and brandy car- for medicinal purposes. Food ost and the vessel became coat- snow and ice. Then another struck her. With her lifeboat her sails blown away, and her smashed, she drifted back into ck of shipping. The President n rescued the men after huge ad swept the schooner. When board the liner, one of the men only 80lb., instead of his 160lb.—News of the World, ish.
