MINARD'S LINIMENT FOR DISTEMPER.

"ABOUT TWO YEARS AGO I was troubled with a crop of boils. A crop of them. I lost eleven pounds in two weeks. Then I went to the Skin and Cancer Hospital. The head physician there laughed when I told him of the salves I had used, saying those boils were an internal disturbance and that I needed something to clear my system. He recommended Fleischmann's Yeast. I followed his instructions. It took no more than two weeks to clear my arms, and I felt like a new-born man. I continued taking the yeast for another week or so; and since then I have never been troubled with any form of skin eruption."
David Ginsberg, Brooklyn, N. Y.

"SIX MONTHS AGO I was in miserable health. My system was filled with poison, due to constipation. My complexion was pale and lifeless; my eyes were dull—I was merely dragging through life. I had no appetite, was nervous, irritable, and cranky. Although in my early twenties, I found no pleasure in living. At last I decided to try Fleischmann's Yeast. . . . Every day for a month I ate two cakes, and then reduced to one. That was six months ago. Today I am a new person. My eyes are clear and sparkling. My rosy complexion is the envy of all my friends. And when I awake in the morning I feel that I could play a sonata on a broomstick."
Lena Lee Metel, Collinsville, Ill.

The Most Important Thing in Life

"I NEVER KNEW when a bilious attack would come on me, even though I tried to be careful of my diet. It happened once when I was week-ending with some friends—another time when I was driving my car down a narrow mountain road. The usual violent headache followed, the usual gone feeling the next day from the effect of a purgative. I had heard of Fleischmann's Yeast, its aids to digestion and elimination. I tried that, at first one cake a day. . . . My last bilious spell was one year and three months ago and I feel positive that I will not have another."
Nora Weber, Denver, Colo.

Abounding health—how thousands have found it—through this one simple fresh food

NOT a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food.

The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stages of energy.

Eat two or three cakes regularly every day before meals: on crackers—in fruit juices or milk—or just plain. For constipation especially, dissolve one cake in hot water (not scalding), before breakfast and at bedtime. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today!

And let us send you a free copy of our latest booklet on Yeast for Health. The Fleischmann Company, 201 Duckworth Street, St. John's, Newfoundland.

Fleischmann's Yeast is prepared for market in Newfoundland.

"TWO YEARS AGO I found myself very unfit physically. I was fagged and nervous, fearful of chronic ill-health. I tried Fleischmann's Yeast. Amazing! It has entirely eliminated that weak, fagged condition; made me feel and look wonderfully fit. I am now adding Yeast to the diet of my small son. He was so under-nourished looking, and ordinary tonics did him no good. He is responding beautifully—his skin and eyes are clear, appetite fine, and he is fast losing his emaciated appearance."
Mrs. Virgil Hart, Cross Plains, Texas

THIS FAMOUS FOOD tones up the entire system—banishes constipation, skin troubles, stomach disorders. There are many delicious ways of eating yeast—dissolved in water, fruit juices or milk, spread on crackers, or just plain. Start eating it today!

Yesterday's Blaze

An alarm of fire from Box 228 was rung in at 4 p.m. yesterday, calling the fire trucks to the residence of Thomas Clancey, 40 Freshwater Road, where a blaze was found in progress. When the firemen arrived the flames had spread from the hallway to a room on the front, and they immediately set about and placed three copious streams of water on the blaze. The fire was eventually confined to the one room, but much damage was done to the furniture, walls, ceiling, etc., before it was finally quenched. The blaze was caused by children lighting matches in the front hallway. Mr. Clancey carried no insurance. The all-out sounded twenty-five minutes after the alarm had been rung in.

Gigantic Picture at the Nickel Monday

Allice Terry and Conway Tearle Lead in "The Great Divide."
The great American play—the most popular stage production of the last twenty years—translated to the screen in a production on which no time nor expense were spared to make it a film even greater than the original, "The Great Divide" comes to the Nickel Theatre on Monday for three days. It is a Metro-Goldwyn picture, presented by Louis B. Mayer.

CONWAY TEARLE in "THE GREAT DIVIDE"

The story is of the West of to-day; of a woman, cultured, educated and with the repression of the East, living among the hardships of the western country. Critics and public alike have declared it the "great American play." William Vaughan Moody, who wrote it, originally called it "The Sabine Woman" and, indeed, it is said he based his story on the historic seizure of the Sabines.

Government Boats

Upon return of S.S. Sagona from the Southwest Coast, she will be placed on the Labrador route to assist the Megie, leaving here on Monday or Tuesday next. At this season of the year the passenger traffic on this part of the coast is very heavy, and almost too much for one steamer to handle, hence the change. The Glancey will replace the Sagona on the S.W. Coast, sailing from this port on Wednesday morning next. The Kyle will be taken from the Gulf Service about the middle
