

An Excellent Remedy For Little Ones

Mrs. Sidney Dalby, Audley, Ont., writes: "I have used Baby's Own Tablets for the past twelve months and have found them an excellent medicine for my little girl." Thousands of other mothers say the same thing—once a mother has used the Tablets she would use nothing else. They are pleasant to take the result is sure, and above all they are guaranteed by a government analyst to be absolutely free from injurious drugs. The Tablets are sold by medicine dealers or by mail at 25c. a box from the Dr. Williams' Medicine Co., Brockville, Ont.

The first case of an infraction of the Transient Traders by-law recently passed by the council for the town of Aylmer, came before Magistrate Summers and County Magistrate Hunt on Saturday. The defendant, C. S. Barrow, agent of the Columbus Oil Co., contended that he had committed no offence against the act, as he was simply filling orders taken from farmers outside the corporation of Aylmer. An adjournment was made till May 1, and in the meantime counsel for defendant will submit to the court the written orders taken. Miller & Backus represented Aylmer and G. Gibbons, London, the defendant.

William Hopkins, whose serious illness was mentioned in a previous issue of the Express, passed away at his home on Talbot street west on Saturday morning. During his illness, extending over several months, he received the undivided attention of his faithful wife, and the best of medical treatment. Deceased was born in Aylmer 61 years ago, and lived here practically all his life. Of Irish extraction, he possessed a ready wit, and was of a happy temperament. A carpenter by trade, he was a most indefatigable worker, and no day was too long for him to continue his labors. He was a most uncompromising Conservative, and loyal to his party at all times. Besides his widow, he leaves one sister, Mrs. James Turner, of this place. The funeral, which was private, took place to Aylmer cemetery on Monday afternoon.

A very pleasant event took place at the home of Mr. and Mrs. W. Warnock on Tuesday evening, when members of the choir, the Epworth League and S.S. of St. Paul's church met to say fare well to Mr. and Mrs. S. McCrimmon, prior to their removal to St. Thomas yesterday. After a short social time, on behalf of the E. L. and S.S. Miss A. Thayer, presented Mrs. McCrimmon with a handsome floral cut glass bowl, Mrs. C. B. Monteith reading the address. Following this, the choir, represented by Miss Jenkins, presented her with a beautiful parasol with gold and pearl mountings, which was accompanied by an address read by Miss Tonge. Both addresses expressed the regret with which the associations in church and social life were being broken and the appreciation of Mrs. McCrimmon's talents which she was ever ready to use for a deserving purpose. After similar replies a social hour was spent, the hostess serving refreshments.

East Elgin Liberals held their annual meeting here on Saturday last and much enthusiasm was shown. All the old officers were re-elected as follows: President, Walter C. Lewis, for the sixth consecutive time; vice-pres., Wilson Mills; sec-treas., Walter Rogers. E. McCredie, Yarmouth, and Nathan Gray, Bayham, and the secretary were named as an advisory committee. The chairmen of districts are: Aylmer, W. Powell; Pt. Stanley, B. S. Cornell; Yarmouth, R. Teeple; Springfield, M. M. Black. A. McCole, M. P. for Kent, and Duncan Ross, M.P., West Middlesex, were the principal speakers, and both made stirring addresses, the latter making the prophecy that Sir Wilfred Laurier would again be premier of Canada within ninety days. Dr. F. H. Miller, of Aylmer, also addressed the meeting, during which he said that Premier Borden is co-operating with German submarines in attempting to bottle up British trade, and that he could not do more to defeat Britain than he is doing. It is possible that everybody will not quite agree with Dr. Miller in this. The candidate, Rev. W. G. Charlton, sent his regrets at being unable to attend the meeting owing to death in the family. Resolutions of confidence in the Liberal leaders of both the provincial and dominion governments were unanimously passed.
