New Ontario Electric Road.

The Detroit Free Press says: "A new electric road will be built and operated in Ontario, with termini at London and Pt. Burwell on Lake Erie before July 1, 1903. This announcement was made yesterday afternoon by Dr. Frank Hassler, of Detroit, who managed the deal with the Canadian Government. The road will be owned by the London, Aylmer & North Shore Electric Railway Co., and was incorporated October 10, at Albany, N. Y., under the general laws of that State. The road has, however, obtained the rights and franchises of the railway company recently formed in Ontario Province under the name of the London, Aylmer & North Shore Co., and has secured from the Provincial Government the right to exercise in Canada its full corporate powers obtained in the United States. The new road also proposes to operate a line of lake steamers from Port Burwell across Lake Erie to the soft coal ports of Ohio and Pennsylvania.

The project of building the London, Aylmer & North Shore line has been on for some time, but has been delayed by the red tape necessary in arranging for the operation of an American company on Canadian soil, and the transfer of the rights of the Canadian company, whose name the American company has purchased. The final transfers were cleared up Wednesday. At a meeting of the incorporators held in Detroit a few days ago, the following officers were elected:— President, R. M. Laton, Grand Rapids; vice-president and treasurer, M. E. Lyon, Aylmer; secretary, C. R. Laton, Grand Rapids; assistant secretary, W. E. Stevens, Aylmer.

At the same meeting a construction company was organized, and will be incorporated under the laws of Michigan. The name of the company is the Aylmer Construction Co., Limited. This company, which will be under the direction of Dr. Hassler, will at once begin the work of construction in order to finish it before July next. Surveyors are now at work on the right of way, which was bought also from the Ontario company, and in a few days operation will begin. F. H. Hitchcock will be purchasing agent for the construction company.

The London, Aylmer & North Shore will be forty-five miles long, and will run through the counties of Middlesex and Elgin. It will cross the tracks of the Wabash, Michigan Central and Grand Trunk at grade, and will connect with the Canadian Pacific at London. It will also connect with the London street railway company's tracks.

The bride entered the room on the arm of her father, to the sweet strains of the wedding march played by Miss Inglis. The bride was becomingly gowned in white organdie, trimmed with lace and ribbon, and carried a bouquet of chrysanthemums. She was attended by Miss Clara Jameson, of St. Thomas, who was tastefully attired in blue organdie. The groom was supported by his cousin, Mr. Laurie Finch, of Harriestville. Among the numerous presents was a beautiful golden urn from the superintendent of the Wrought Iron Range Co., of Toronto, of which the groom is a travelling salesman. Do Not be Misled by Dishonest Dealers Who Try to Sell Imitations of Our Popular Butter Color.

When a merchant dealer would foist on you some poor substitute for Wells, Richardson & Co.'s Improved Butter Color, do not let them deceive you. Buttermakers who buy Wells Richardson & Co.'s Improved Butter Color never pay for MUD or SEDIMENT. The last drop is as clear as the first, and is sold under a positive guarantee of greater strength than any other colors. Ask for this perfect color that makes prize, gilt edged butter. Do not allow any dealer to convince you that some other kind is just as good.

Aylmer in 1866.

The following poem appeared in the Aylmer Warden in 1866, and was written by Mr. Adam Adams. Come gather round me "Boys," for I have something new to tell you, And if it does not please you well,

My beaver I will sell you.

In Aylmer town some weeks ago A project grand was hinted; The project was, that in that town A paper should be printed.

And so the active "Aylmer" boys, With an uncommon ardor, Went at the work and very soon Appeared the "Aylmer Warden."

A right, good looking little sheet This same young "Warden" is, And what I would propose to you, To one and all, is this:—

Let someone a subscription list This very day commence, And we will all, with one accord, Throw in our dimes and cents.

Bat hark! I think I hear you all Of the hard times complaining. You say you've spent so much, you have No cash to spare remaining.

Oh, cheer up boys and let us hope The times will not be harder. Come, let us all our names put down And take the "Aylmer Warden."

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Vapo-Cresol. Grovesend.
