New York, Feb. 15.—The national commission will meet here Friday or Saturday to consider the reinstatement of John Kling.

Garry Herrmann, chairman of the national commission, stated this afternoon that Kling would be reinstated.

"He has applied for reinstatement," said Mr. Herrmann, "and the application will be granted. Kling will have to submit, though, to a heavy fine, I should think about \$1,000."

Johnson Won't Talk.

Chicago, Feb. 15.—B. B. Johnson, president of the American League, refused to discuss the reinstatement of John Kling, catcher of the Chicago National League club, to be reinstated.

When Mr. Johnson was asked by Garry Herrmann, chairman of the national commission, what he had to say about Kling, he said that he had not been consulted in the matter and knew nothing about it.

May Meet at Cincinnati.

He refused to say whether he would vote for Kling's reinstatement. President Johnson stated that he would not go east for any national commission meeting, but expected that a meeting would be called in Cincinnati in the near future to discuss Kling's case. His attitude it seems apparent that President Johnson did not favor the reinstatement of Kling.

Kling's Opinion.

Kansas City, Feb. 15.—John Kling said today, when shown a report of the reinstatement of Kling, that he would be reinstated and probably fined \$1,000.

"I would like to think about that a long time before coming to a decision. One thousand dollars is a big sum of money."

New York, Feb. 15.—Manager McGraw of the New York club, said that Kling would be reinstated and fined \$1,000.

"I have no objection to Kling's reinstatement," said McGraw, "but I have no objection to his being fined \$1,000."

Will Keep Kling.

Murphy said tonight that if Kling was reinstated he would not sell him to any club.

"Why," said the president of the Cubs, "I don't know. I have sent me a letter demanding that Kling be kept in Chicago. If he was reinstated, I would like to see him as well as a padlock on the park gate."

Give \$5,000—May Split the
Difference.

[Special to The Advertiser.]

New York, Feb. 15.—The Philadelphia Club will be likely settled without the aid of the board of directors, and no settlement of the matter will be made.

Manager Fogel said today that Murray had offered to settle for \$10,000, but that the club had offered to settle for \$5,000. Both offers were refused.

Fogel said, "I think, however, we will reach a compromise and the claim will be settled for \$8,000. This matter can be fixed up without the board of directors. I told them I would not attend any of their sessions or those of the league until the matter had been arranged. I told Murray I would give him \$5,000 and a position with a minor league club which would pay him a salary to make up the \$15,000, but he refused."

GRAND AVE. TEAM
DEFEAT SIMCOESBy 3 to 2 Score in Fast Game—Half-
Time Tally, 2 to 1.

In a fast game of hockey last night, the Grand Avenue School seven defeated Simcoe by 3 to 2. The game was good and the play fast. McCormick opened the game for Simcoe by scoring, and shortly afterwards MacDonald scored for Simcoe. Just before the end of the first half Morris scored for Grand Avenue. Half-time score, 2 to 1. In the second half MacDonald scored Grand Avenue's third and last goal, and within five minutes of the end of the game the Grand Avenue team acted as referee and gave satisfaction.

WESTERN MAY PLAY 168 GAMES.

[By Associated Press.]

Chicago, Feb. 15.—The schedule committee of the Western League met here today and prepared the draft of the schedules which will be submitted to the league at its meeting tomorrow. It is undecided whether 154 or 168 games will be played. There is a decided tendency among club owners to adopt the regulation 154-game schedule, but a vigorous minority favors the longer list of games.

Trail, and May Land a Mill.

[By Associated Press.]

New York, Feb. 15.—McFarland, the Chicago pugilist, is hot on the trail of Freddie Welsh, the English lightweight, and his demand for a match is generally conceded on the outside.

So much so that Welsh will probably be forced to take him on for the title at the English lightweight limit, 155 pounds. Welsh did not win the English lightweight title from Johnny Summers, because of a decision at the end of a 20-round bout, contrary to general belief, but from Young Joseph, who lost the title on a foul in 11 rounds to him last July.

SPEED DEMON FOR BARNEY OLDFIELD

Barney Oldfield, once more the speed devil, with 35 world's track records to his credit for his 1909 work, takes the track this year with the most powerful racer ever constructed.

Barney's new car, a Benz, boasts of 200-horsepower and is guaranteed to develop the unheard of speed of 127 miles an hour upon a circular track.

It is doubtful if anyone but the track king would attempt to drive the monster. With its torpedo boat prow and sharp stern, the car is calculated to offer the least possible resistance to the wind, and what will happen to track records when Oldfield gets the giant car good and hot can only be guessed.

Last year Barney piloted a 150-horsepower car of the same manufacture, but when Lewis Strang beat him in several races he determined to secure a car capable of going fast enough to win back the honors captured by his rival. Now he has the car, the automobile racing world looks to him to win back the position he held so long as the unquestioned speed king of the race tracks.

The sight of Oldfield clipping off miles around 50 seconds, a big black cigar stuck in one corner of his mouth, his hair streaming backward from the rush of the wind, is a sight once seen never to be forgotten.

Both Hit the Mat.

From the outset the giants resorted to rough tactics, each trying desperately to show up the other in a point of real brute strength. For 28 minutes the men continued their muscular exertion, with honors about even, until the ringside spectators kept busy pouring wagers of every size on the chances of Herman's big Pole.

Zbyszko always wriggling out of harm's way.

All holds looked alike to the Polish athlete, and the smile of unwariness that illuminated his sweat-bathed fighting visage only drove the Turk to his task with renewed ferocity. Around the ringside spectators kept busy pouring wagers of every size on the chances of Herman's big Pole.

Zbyszko There to Stay.

NATIONAL MAGNATES STILL
BATTLING OVER SCHEDULE

Murphy of Chicago, Robinson of St. Louis, Ebbetts of Brooklyn, and Fogel of Philadelphia, Line-Up for 168 Games While Brush Has Not Taken Any Stand as Yet.

[Special to The Advertiser.]

New York, Feb. 15.—Magnates of the National League of Professional Baseball Clubs failed to reach any agreement in New York today on a schedule of games for the coming season. After indulging in heated debate from 2 o'clock this afternoon until after 9 o'clock tonight, adjournment was taken until 2:30 o'clock tomorrow afternoon.

Argument, which at times waxed acrimonious, did not serve to clear the air or bring a decision to adopt either the so-called long schedule (168 games), or the short schedule of 154. Murphy, of Chicago; Robinson, of St. Louis; Ebbetts, of Brooklyn; Fogel, of Philadelphia; and Dreyfuss, of Pittsburgh, were the principal participants in the debate.

The line-up when adjournment was taken yesterday and today was: Messrs. Ebbetts, of Brooklyn; Murphy, of Chicago; Robinson, of St. Louis; Fogel, of Philadelphia; and Dreyfuss, of Pittsburgh. The line-up when adjournment was taken yesterday and today was: Messrs. Ebbetts, of Brooklyn; Murphy, of Chicago; Robinson, of St. Louis; Fogel, of Philadelphia; and Dreyfuss, of Pittsburgh.

It appears to be a matter of mere speculation as to which schedule will be adopted tomorrow. Perhaps neither will be ratified in its entirety, there may be a substitute decided upon.

Today's Meeting.

New York, Feb. 15.—There was a three-in-favor of the 168-game season was apparently the way the National League magnates stood when the struggle over the playing schedule was resumed today.

Not in years have the rulers of National League destinies worked into so chaotic a situation as that revealed by the failure to agree on playing dates for the coming season. Six votes are necessary for the adoption of a schedule.

ZBYSZKO WON FROM MAHMOUT
IN FIERCE WRESTLING MATCHNeither Gained a Fall But Turk Had Agreed to Get Pole's
Shoulders to the Mat Twice in an Hour—Pole Had Three
Boils on Arm But Stayed With It.

[Special to The Advertiser.]

Chicago, Feb. 16.—Wrestling under a rightful handicap, with one arm useless, the result of three full-grown boils, Yussif Mahmout, the Turk, lost his match with Stanislaw Zbyszko, the Polish champion, after one hour of bruising work before 9,000 spectators at the Coliseum last night. The Turk was unable to win even one of the two falls asked of him in order to clinch victory.

For the major part the two men fought head to head, and at the close each was groggy.

Zbyszko had the advantage in weight and in the matter of the number of pounds, while the Turk, trained to the minute, entered the arena after scaling at 185.

Owing to the numerous clashes between police and wild-eyed spectators, who fought in the aisles for vantage points, considerable time was lost between bouts, and it was 10:10 p.m. before Referee Dick Fleming introduced the foreign grappling whippers.

NEW AGREEMENT WAS UP
And Length of Time Was Only Matter
of Discussion—Changes in
Tariff.

[Special to The Advertiser.]

Chicago, Feb. 15.—There was, of course, nothing doing with the schedule today, consideration of this not being due until Wednesday afternoon, but President Navin, of the Detroit club, did divulge one feature. That was the flag day selection. This season he has decided to give it to the Chicago White Sox, and he so notified Comiskey today.

The Sox did noble work in knocking down the Athletics last fall, just when such a thing counted big, and are entitled to this recognition. This is the first time a western team has drawn the plum, New York getting it in 1908 and 1909. The date cannot be announced as yet, of course, but it is probable that as the season opens west against west, it will be during the second visit to Detroit of the Chicago club, probably some time in June.

The New Agreement.

It wasn't much of a meeting today as far as results are concerned. There was long discussion of the new agreement between the clubs, and the league members are bound by a ten-years' compact that expires in November, but the new agreement was not made.

They reported today. The principal discussion seemed to be on the length of the contract, which should be given, and the matter was passed until tomorrow, the committee arranging a meeting to provide the league season, at which suggested changes in the document prepared by them will be made.

Changes in Tariff.

Really, the one thing of any importance done by the league was in connection with the tariff. Philadelphia always has settled with visiting clubs on a basis of twenty-five cents admission, and has been settled with the same basis when on the road. This season and hereafter it will pay off and will be paid off on the 50-cents basis, like all other clubs of the league.

W. O. W. CARPETBALL MATCH.

Forest City Lodge won from Victory in the latter's lodgerooms last evening by 32 to 31, in the W. O. W. Carpetball League.
