TEN LONDON PLAYERS HAVE REPORTED SO FAR

Four More Were Added To List This Morning When Danford, Sendelback, Yageman and Labate Arrived — Practices Are On in Earnest.

BY BERT PERRY.

Ten players have so far reported to the London club, and this morning and afternoon at Tecumseh Park the initial workouts were held. The players that Manager Reising has at present are Catchers Jack Danford and Bill Yageman; Pitchers Wayne Dowell, Joe Labate, Jim Peters, Eddie Sendelback and Carl Hammond; Second baseman Harry Myers, and Shortstop Ray Whitcraft, and Outfielder Eddie Lammy. Myers, Whitcraft, Dowell and Hammond all arrived last night with "Doc" Reising. Danford and Sendelback reported early this morning, and Yageman and Labate came in at noon. With the exception of Whitcraft, whose trunk has not arrived yet, all the players are in the city. The players were over at the park first thing this morning in uniform.

Pitchers Look Good.
The grounds are in fine shape, and the weather could not be better had it been ordered for the purpose. Reising has a fine bunch of likely-looking youngsters. Dowell, Sendelback and Hammond all look to be in fine shape and ready to go in and pitch a full game. Dowell is the only southpaw who has reported to the club so far, and he looks like another edition of Bobby Heck. He is short and stocky like the Syracuse lad, and his much the same kind of delivery. He appears to have speed and lots of stuff. Sendelback, the Detroit city leaguer, is another likely-looking pitcher. He is about medium height and sturdy looking. He comes here with a fine record, and looks as though he might stick. Of course, none of the pitchers have been in action yet, but it is believed that they will be ready to go on their first day before long.

Indian Is Green Yet.
Jim Peters, the big Hagersville, Ont., Indian, looks to have all the requirements of a good pitcher, although he is quite green yet. Peters was only beaten twice last season, and he

THIS LOOKS PRETTY SOFT FOR THE FEDS

Rumored Peace Terms Grant Them Everything.

REPORT FROM BALTIMORE

All Players Except Walter Johnson Who Jumped Back Are To Return.

CHICAGO, May 5.—A special to the Chicago Daily News from a staff correspondent at Baltimore, says on purpose Federal League authority that peace in the baseball world is about to be brought about on the following terms: The Federal League to enter the National agreement as a full fledged major organization, participating in the National championship series. "Wingo, Austin, Caldwell, Peritt and other players who jumped to the Federal League, and then back to organized ball again (excepting Walter Johnson) are to go to the Federal League. No player is to be punished for attempting jumping. The players say that the deal is to be perfected at once, and that the Federal League is prepared to withhold its decision in the baseball case until June 1, to allow time for formal signing of the agreement, which according to the story is to go into effect next season.

PEACE REPORTS ARE FABRICATIONS

No Understanding At All Between Organized Leagues and Outlaw Circuit, Says Johnson.

New York, May 6.—Hopes that the statement by President Johnson, of the American League, in Boston Tuesday favoring withdrawal of the legal suits between the Federal League and organized baseball presaged peace were diminished today by a further statement from Johnson.

No secret pact, regardless of the many conflicting reports has been signed between the American League and the Federal League, the American League president was quoted as saying. "The American League has no understanding of any kind with President Gilmore or his organization. There will be no peace as far as I am concerned. I wish to say that neither the American League nor the National League has made a single proposition to the Federal League that would restore peace in baseball. All these reports about peace negotiations and the American League and the Federal League coming to an agreement are fabrications. An organized baseball, so far as I know, is as determined as ever to decide its fight on its merits. Nobody is looking for anything or expects anything. If our case is wrong, the sooner we know of it the better. We believe that we are right. We ask no favors. We stand by our record."

COOPER AND MOTE WILL WRESTLE FOR TITLE

A wrestling match for the championship of London will be held in the Springbank Theatre on the evening of May 24 at 7:30 o'clock. Ashley Cooper has challenged Jack Mote and the challenge has been accepted. Both boys are good ones, and the match should create a great deal of interest. Both are in training for the contest and expect to be in "the pink" when the time arrives.

LE JEUNE HAS HAD A DOZEN DIFFERENT JOBS, BUT GETS A REAL ONE AT LAST.

Sheldon Le Jeune, the big Chicago semi-pro player, appears to have made good at last. Trigg and found wanting by three major league clubs and half a dozen minor league managers, Le Jeune has won a regular job in centre field for the Pittsburgh Pirates, and it looks from his early season work as if he will make good. He has been called the strongest thrower in the national game and as a slugging but uncertain hitter. His showing last season seemed to indicate that perhaps after all his failures he might have major league class, and Pittsburgh's scouts reported him immensely improved. He is going well this spring and hitting steadily.

Appeal To Let Films of Fight Enter s Denied

Judge Upheld Collector's Action in Holding Up Films at Port of Newark.

JERSEY CITY, N. J., May 5.—The action of Frederick F. Freed, collector of the port of Newark, N. J., in refusing to allow the entering of photographic films of the Willard-Johnson fight at Havana, was upheld by Federal Judge Thomas Haight, of the United States District Court here today. Justice Haight denied the appeal of T. Lawrence Weber for an injunction to restrain the collector from interfering with Weber in entering the films through the Newark Custom House. The application was made upon the allegation by Weber's counsel that the act of Congress under which the films were barred, is unconstitutional because Congress exceeded its powers as defined in the commerce clause. The judge held the act to be constitutional. Counsel for Weber said that Judge Haight would sign appeal papers so that the appeal would come before the United States Circuit Court of Appeals in Trenton, Monday. If the appeal is unsuccessful, another appeal will be taken to the United States Supreme Court, the attorneys said.

BRANTFORD OPENS HERE ON WEDNESDAY MAY 19

London Will Not Open at Brantford Until the Following Day—Several Other Changes Made in Canadian League Schedule.

[Special to The Advertiser.]
TORONTO, May 5.—Representatives from the Canadian League teams confirmed the afternoon schedule meeting of the league held in the Prince George Hotel here today, in asking for changes from the original draft drawn up by President Fitzgerald some weeks ago. The meeting was well attended. Changes affecting London and St. Thomas clubs were made as follows:
Brants Open Here.
Brantford will open in London on Wednesday, 19, with London opening the following day at Brantford. Guelph plays in the Forest City on Friday and Saturday.
London plays in Ottawa June 10, 11, 12 and 13, and Guelph goes to Brantford for these dates, and St. Thomas plays in Brantford on June 10, 11 and 12, instead of at home, with London on June 10 and 11, and at Tecumseh Park on Saturday, June 12. These dates were changed to permit London to go to Ottawa, instead of on a group of dates during the race week at the capital.
London plays in St. Thomas on July 8 and 9, instead of June 17 and 18, so as not to conflict with the St. Thomas trotting races.

Double-Header Here.
The double-header on Wednesday, September 1, between St. Thomas and Montreal will be played on Thursday, September 2, instead of Wednesday, September 1, as originally scheduled. The board of moving picture censors for the Province of Quebec today decided to permit the pictures to be put on in this city, and it is believed that the pictures may also be exhibited in other places in the province, although the censors' permit so far applies only to Montreal.
