of the Royal Canadian Dragoons in being delivered, it was said, was to be France are contained in a letter re-ceived by Harry Bennett, of the city The Bethlehem Steel Company was department, from Sergt .-Signaller J. D. Churchwarden, formerly instructor to the 1st Hussars, and now at the front with the Dragoons. He

Dear Harry and Brothers,-At last I have found time and a nice place to drop you a line. As you already know, being that after Ypres, where the Caninforcements were required at once, so for export. Gen. Seely (late secretary of war) volunteered us. Gen. Seely is the right man on the job, and he visits us frequently while we are in the trenches and cheers the have us.

and cheers the boys up. We were promised our horses as soon as the second contingent arrived, but can't see where cavalry can be used. saw Capt. Williams just before he left England, but haven't seen him since. France is France, but "Sunny France"

We are on to the trenches tomorrow. Our casualties I cannot mention, Several Arrests Made in Past but I assure you we miss those, who have gone. God bless them, they did bit. The village where I am is shelled daily from about 8 to 10, which keeps us lively and ducking. The London battery is close at hand, and I have met quite a number of old friends.

Every night, and sometimes through the night, the artillery on both sides tries its best to hit aeroplanes fying over its positions. One night I saw the Germans fire at least 600 times at one plane, but it came back safe. Mind you, I am not saying their artillery is not good (two words deleted by censor). Good-night.
