SPECIAL TO THE DAILY BRITISH COLONIST

Europe.

LONDON, Sept 26-The London Times has an article on the designs of United States on Mexico. The Times would approve of the absorption of that country into the American Union if it could be assured of two things, viz : The future of Mexico and the payment of her

Paris, Sept 28-The Moniteur has the following from Spain: Catalonia is quiet; a battle between the Royal army under Perva and the insurgents under Serrano is momentarily expected.

Jose Salmancos was sent to Queen Isabella by General Concha praying that the young Prince of Asturias, their ap ponent, (?) might go to the Capital to as same the Government of the nation: The Queen refused, and returned a reply that the Prince should not ruld a people of robbers and assassins.

BERNE, Sept 26- A request to send representatives to the peace Congress soon to assemble here, will be forwarded to the United States Government, and also to different European powers.

London, Sept 25-It is reported tha Madrid is quiet, but only awaits signal for rebellion. Hiw HiM, edt otel

The Queen has abdicated in favor of her son. General Porvaris is master o

LONDON, Sept 27-The Revolution in Spain is the result of Constitutional, moderate and liberal parties in an effort to overthrow the reigning dynasty. The fleet has joined the movement because the sailors are unpaid, and the greater part of the army revolted because they are indignant at the exile of their favorite Generals. To again and has noise

The Church which is bound by every tie to the Queen resists, and holds the masses in check, lim of T , worn

General Porva has arrived in the vicis nity of Cordova but his troops are deserting in large numbers: he was obliged to stop the march and wait reinforcements.

The province of Biscay has sent troops to San Sebastian for the protection of the Queen. In Andalusia the telegraph wires have been cut and the railroads have been cut up. Blawood died Jant 101 .

NEW YORK, Sept 27-The insurgents have again occupied Cordova, and destroyed the bridge over the Gaudalquiver, and cut the railroad to Nova. Ohe has arrived within litteen miles of Cordova and sent for reinforcements. The officers of the navy have sworn to accept no reward for service in the revolution, declaring that they have risen to free the Islands have pronounced in favor of the revolutionists. bas aroo lo tagiew

LONDON, Sept. 28-Advices Spain to day confirm the reports that the insurgents were marching their forces on the Capital. The revolution is rapidly progressing in the interior. The city of of \$3,000,000 and a title of nobility in Valladolid has pronounced against the Queen. The revolt has already extended to most of the provinces, into which Old and New Castile have been divided.

The following is the very latest from Spain: The city of Carthagena has been bombarded by the rebel fleet. General Prim has gone to Valencia. Marshal Nava Lichez commander of the Royal troops in the field is retreating before the advance of Marshal Serrano.

Paris, Sept. 28-Evening-The Patrie says the situation in Spain is grave. The rebels are gaining strength every day while the efforts of the Government to withstand the torrent is evidently weakening The last ship of the Spanish navy has joined the rebels. All reports indicate that public opinion throughout the kingdom favors the revolution. The portion of the army which still remains faithful to the Queen is disorganized and little dependence is placed on it. salday

Paris, Sept. 29-The city of Carthagens joins the revolutionists. Marshal Parva of the Royal army, at last accounts was completely surrounded by the insurgent troops.

Cadiz has been declared a free port by

the revolutionists.

PARIS. Sept. 29-The Queen of Spain still remains at San Sebastian. It is reported that Jose Concha at the head of the Government in Madrid and Manuel Concha commanding the army in the field have both sent in their resignations to the Queen. In their communications

return to Madrid unless accompanied by her Minister, Marfor destroys all hope in suppressing the insurrection. The Queen accepted the resignation of the Conchas, and will form a new ministry. The Queen also summoned a Council of State to assemble at San Sebastian. is rumored that an insurrection broken out at Madrid, and that Queen has left San Sebastian and crossed the French frontier.

EXTRAORDINARY CURE OF A COUGH

"The following letter has been received from WILLIAM BOARDS, Esq., an extensive agriculturist and land agent, residing at Edmonton, Mid-

dw case "Nightingale Hall Edm "Dear Sir,—I have recently suffered much from a most voicent cough, proceeding from a tickling in my chest, which no remedy; out of many I rescried to, could allay. My head was constantly aching, and my whole frame entirely shaken. Having seen the good effects of your Balsam of Aniseed in several members of my family, I pursuance and lattle and when going to bed at Aniseed in several members of my family, I purchased a small bottle, and, when going to bed at night, took a teaspoonful in two tablespoonfuls of water, just warm. The effect was immediate; it arrested the tickling in my cheat, I slept well, and arose perfectly restored in the morning, with the exception of debility, arising from fatigue by incessant coughing for some days previous. My sough entirely left me, and has never returned. Having since heard of a lady in the neighborhood who for a long time had laboured under a most distressing cough, and who had resorted to every remedy within her knowledge, I sent the remainder of the bottle to her; and that long-standing, obstinate, and (as she thought) incurable ing, obstinate, and (as she thought) incurable cough, was perfectly cured. You are at perfect ough, was perfectly chief.

berty to make what use you may please of this ommunication, as the contents are strictly true shall take every opportunity of recommending cour inestimable medicine, feeling as I do fully your inestimable medicine, feeling as I do ful assured of its efficacy.
"I am, dear Sir, yours very truly,
"WM. BOARDS.
