Umpire Gaffney says of the probable course the playing this year. "The new three-strikes we ball rule will be splendid for the unpire and bad for the spectator. Detroit will fare the est under it, simply for the reason that its utters are the freest hitters in the league, at you can depend upon it that the record of ne hour and eight minutes for a game of nine mings will be surpassed before the season loses. I expect to unpire at least one nineming game within an hour."

Secretary Dixon and Director Masen are very well satisfied with Saturday's work of the Hamiltons. With one or two changes the team will make a very strong element in the league, and those changes will be made at once.

Ald. Macdougall: Have you waived your right of appeal?
Ald. Modillan: No, no; we hold the right to appeal if we want to.
Ald. Hallam? The committee should simply hear what the University has to any: make no promises, but just report.
Ald. Baxter: If this is the spirit we are to open up negotiations in, we may as well stop. The thing should be done in a friendly spirit, and if we find that the University will not give way, it will be one of the best grounds we have to appeal, showing as it will that we have done all in our power to meet them.
Ald. Gillespie moved in amendment that the name of Ald. Boustead be added to the committee. Ald. McMillan thereupon desired to withdraw his resolution charging that Ald. Gillespie had been lacking in courtesy to him in seeking to amend his motion. After a little hot talk all round the names of Ald. Boustead and Ald. Baxter were added and the motion as amended was carried.
