Gentlemen.—For several years I have felt it to be my duty to give to you the facts in relation to the complete cure of a most aggraph value of mine had been a great sufferer from salt-rhoum for your Golden Medical Discovery. An elderly lady relative of mine had been a great sufferer from salt-rhoum for hupwards of forty years. The disease was most distressing in her hards, causing the skin to crack open on the inside of the fingers at the joints and between the fingers. She was obliged to protect the raw places by means of adhesive plasters, salves, outtenents and bandages, and during the winter months had to have her hands dressed daily. The pain was quite severe at times and her general health from that day to this, and his had no strength of each of the sufference of the suffe

I began the use of Dr. Pierce's Golden Medical' Discovery as directed by him for such complaints, and in one week's time I began to feel like a new man, and am now sound and well. The 'Pleasant Purgative Pellets' are the best remedy for billous or sick neadache, or tightness about the chest, and bad taste in the mouth, that I have ever used. My wife could not walk neroes the floor when she began to take your 'Golden Medical Discovery.' Now she can walk quite a little ways, and do some light work."

Skin Disease.—The "Democrat and News." of Cambridge, Maruland, says: "Mrs. BLEZA ANN POOLE, wife of Leonard Poole, of Will tameburg, Dorchester Co., Md., has been cured of a bad case of Eczema by using Dr. Piercet Golden Medical Discovery. The disease appeared first in her feet, extended to the knees, covering the whole of the lower limbs from feet to knees, then attacked the cibows and became so severe as to prostrate her. After being treated by several physicians for a year or two she commenced the use of the medicine hamed above. She soon began to mend and is now well and hearty. Mrs. Poolo thinks the medicine has saved her life and prolonged her days."

Mr. T. A. Ayres, of East New Market, Dorchester Co., Md., vouches for the above facts. Sore Eyes.—Mrs. Sarah A. Turner, of Ogden City, Utah Tertory, says: "My cidest child was oured, nearly three years ago

CONSUMPTION, WEAK LUNGS, SPITTING OF BLOOD.

GOLDEN MEDICAL DISCOVERY cures Consumption (which is Scrofula of the Lungs) by its wonderful combination of tonic, or strengthening, alterative, or blood purifying, invigorating and nutritive properties. From its marvelous power over this terribly fatal disease, when first offering this now world famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure" but abandoned that name as too restrictive for a medicine which, from its was a sovereign remedy. While the severest Coughs it strengthens the system and purifies the blood. The nutritive properties of extract of malt and cod liver oil are trifling when compared with those possessed by the "Discovery."

One of our children had the pneumonia, and one lung became consolidated, but by the use of the 'Discovery' she has entirely recovered, and is now in good health." GONSUMPTION.

SOLOMON BOTTS, of North Clayton, Miamt Co., Ohio, writes: "I have not the words to express my gratitude for the good your 'Golden Medical Discovery' has done my wate. She was taken with consumption, and after trying one doctor after a other I finally gave up all hope of relief. Being very poor and having but one dollar in the world, I prayed to God that he might show mo something; and then it seems as though something; did tell me to get your 'Golden Medical Discovery.' My wife took it as directed, and as a result she is so she can work now.' Wasting Disease.—Warson F. He had sold me many other preparations, always recommending your 'Discovery' which I did not take, owing to prejudice. However, I finally took his advice and your medicine, and have never been sorry for either, as I am to-day a healthy man, while one year ago I was not able to work and was a burden to myself. At that time I weighed 122 pounds, and to-day I weigh 147 pounds. Then I used to eat about one meal a day, and now can eat four or five if I dared to. After all these benefits, how can I refrain from adding my testimonial, unsolicited, to the thousands hiready in your possession."

It has helped both my husband and myself. Two years ago Mr. Stowell was afflicted with what appeared to be asthma, and our altitude being so high, the difficulty in breathing attendant upon this distressing maledy was greatly increased. But he began to improve at once after commencing the use of your 'Discovery,' and was entirely cured by this wonderful medicine.
