A KANSAS man is convinced that advertising pays. He advertised for a lost five dollar bill and a stranger, who had picked up one on the streets read the advertisement and restored the bill to the advertiser. A few days later while looking over a vest he had laid off, the original lost bill was found in a pocket. He says advertising pays 100 per cent.  
THE Board of License Commissioners for East Lambton met at the Roche House, Wednesday afternoon, to consider the transfer of the license of the Columbia Hotel, Alvinston, and the Gattis House, Theford. Transfers were granted conditional on certain financial matters being satisfactorily adjusted. Mr. A. Gilroy, of Alvinston, took his seat on the Board, succeeding Mr. L. I. Hunt.  
THE Department of Education is calling for tenders for the supply of flags for the rural schools of Ontario. The ensigns are to be the Union Jacks, and the coat-of-arms of the Dominion of Canada. For the purchase of ensigns of this type the Legislature voted an appropriation of \$5,000 as a beginning. Each rural school will receive a flag, which must be displayed in the class rooms at the direction of the trustees. The ensigns are to be flown on high days and holidays from the flag staffs. No provision has been made for presenting them to the urban schools. That step may be taken later.

THE Detroit papers considered 50,000 a large attendance at the State Fair on Labor Day. What do they think of upwards of 125,000 at the Canadian National Exhibition in Toronto on the same day? Every Canadian is proud of the Toronto Fair, as it is familiarly called, and the one just closed, in particular. It was a record breaker, and for an annual affair, is a world beater.  
THE kickers on the farm are not so hard to get along with as the kicker in town. On the farm there is the kicking cow and our long eared friend the mule, while in town there is the man who wants all the municipal improvements without paying for them. The cow may be sold for beef, the mule traded for a shotgun but nothing but a funeral will get rid of the town kicker.  
FOR Quality and Quantity ask your dealer for the new big plugs of "Bobs," "Stag" and "Currency" Chewing Tobaccos.  
Do you ever have any trouble with your canned fruits? spoiling especially canned tomatoes? I mean the good home made kind, put up in glass jars. Just try this: When you put them away wrap each jar in dark blue paper (you can get it from the drug store); they use it for Seidlitz powders). Then put the jars away in a dark place. This is a good thing to remember and put in practice when you want to keep anything from the action of the light.  
At the last regular meeting of the Petrolia council, Mr. Strrett gave notice that at the next meeting of council he would move that the council recommend the license commissioners to reduce the number of hotel licenses from five as at present to four. He also gave notice that he would move at the next meeting of council that this council memorialize the county council to the effect that some provision be made for the care of consumptives within this county.  
You will regret it if you miss the Athletic Club Concert in the Music Hall Thursday, Sept. 19th. First class talent Admission 25c. and 50c. Reserved seats at drug stores.

A RESURRECTED bunch of local ball players, reinforced by the Waddell brothers, the Forest battery, played a game with the Stratroy team at the Park on Thursday afternoon of last week. The first five innings was fair ball, but after that the visitors went to sleep. The final score was 9-1 in favor of the homers. The weather was cool, but some of the old fans were hot at parting with their two shillings.  
SPECIAL range all wool cashmere hose, ribbed and plain, 4 pairs for a dollar.—SWIFT BROS.  
SPEAKING at the convention of the Ontario Postmasters' association, recently held in Toronto, Chief Superintendent George Ross, of the Canadian picture department, said that 30,000 picture postcards were sent to the dead letter office in the Dominion every week from the border towns. The cards, he said, were for the most part sent by Americans who were in the habit of crossing the border to mail them to their friends in Canada and insist in sticking United States stamps on them.  
DETROIT'S population is 449,318, according to R. L. Polk & Co.'s directory. The directory for 1907 has just been issued and is the seventy-first edition of that edition. The method of estimating population has been in use for many years and has been found to tally closely with the federal and state statistics in census years. It consists in multiplying the number of names in the directory by two and one-half. In the present volume there are 179,655 names of persons who lived in the city at the time the canvassers took the information.  
THE Watford Orchestra had a rather untroubled experience returning from the garden party at Salem on Thursday evening of last week. The night was pitch dark and a curve in the road on 24 side road was not noticed and the bus turned turtle. Musicians, instruments, etc., were tumbled into a miscellaneous medley, but, fortunately no one was seriously injured. Col. Kenward, who was at the helm was shot into space and had to go into the dry dock next day for repairs. Tommy Swift received a nasty scalp wound, but nothing serious, and the ladies escaped with a few scratches and bruises. The bus looked like the wreck of the Schooner Hesperus. A wrecking party came to the rescue and the party reached home with their instrumental outfit looking like scrambled eggs.

## McINTYRE-DUNLOP.

A pretty house wedding took place on Thursday, Sept. 5th, 1907, at the residence of Mr. and Mrs. A. Dunlop, Front St., when their second daughter, Alvanetta May, was united in marriage to Mr. Archibald McIntyre. The handsome and spacious rooms were beautifully decorated with an abundance of flowers. The ceremony was performed by the Rev. S. W. Mackworth, pastor of the Methodist church. While the wedding march was being played by Miss Ella McLeay, the bride entered on the arm of her father. She was gowned in ivory oriental lace robe over white mousseline-de-scine, the bridal veil being caught up by a wreath of lilies of the valley and carried a shower bouquet of bridal roses and lilies of the valley. The bridesmaid was Miss Florence McCulloch, of London, gowned in white silk with chiffon and lace trimmings and carried a bouquet of pink roses and carnations. The groom was assisted by Mr. Duncan D. Livingston, of Alvinston. A beautiful array of handsome and costly presents testified to the popularity of the young couple. The groom's gift to the bride was a gold bracelet set with diamonds, to the groomsmen gold cuff links, and to the bridesmaid, pianist, and waitresses, gold stick pins with pearls. After the wedding dinner the happy couple left amid showers of rice and flowers on the 3 p.m. express for Toronto, Niagara, and other eastern points.

## Stole Bicycles.

Mar Jong is an up-to-date Sarnia Chinaman, who sports ready made clothes and a sixty-dollar bicycle, which is the pride of his heart. Three or four weeks ago the bicycle disappeared during the evening from in front of his laundry and no trace of it could be found. A few days ago in Point Edward Mar Jong saw a man riding a bicycle that looked familiar, and he informed the police. The bicycle was painted red, and had different handle bars, pedals, tires, saddle, etc., from the one described to the police, and the number had been removed. The Chinaman was positive that the frame at least was his, and with this clue to work on, the police have succeeded in rounding up three young men and have found the explanation of several bicycle thefts.  
The young men are Wm. Metcalfe, of Water street, Sarnia; Earl Williamson, of Point Edward, and George McDonald, of Point Edward.  
There are three charges against McDonald; receiving stolen property, bringing stolen goods into Canada, and stealing a wheel, belonging to Frank Fessant from in front of the Chapman House. The wheel brought in from Port Huron is now at the police room awaiting an owner. The young men are said to have secured it on Butler street in Pt. Huron.  
Williamson and Metcalfe are charged with stealing Mar Jong's bicycle, and Metcalfe is also accused of bringing stolen goods into Canada.  
All pleaded guilty to all the charges in the police court room on Monday and were remanded for sentence.—Canadian.

## The Late James P. Cameron.

The Petrolia Topic has the following reference to the death of a resident of that town who was well known to many of our readers:  
On Saturday Petrolia citizens were called upon to mourn the death of one of its lite long citizens in the person of Mr. James P. Cameron, familiarly known among his more intimate friends as "Jimmy" Cameron. The town embraced few residents better known or more generally liked.  
Mr. Cameron, although up and around until within a month or six weeks, had

not enjoyed good health for a number of years.  
The deceased was born in Middlesex county near the city of London, on April 10th, 1856, and was therefore in his fifty second year at the time of his death. When but a boy, he along with the rest of the family moved to Oil Springs, and after remaining there a few years came to this town where he has since resided. In 1884 he married Miss Katie O'Leary who survives him. Besides his wife and two brothers, Daniel and Hugh in Australia, he leaves to mourn his loss five children at home,—four daughters, Irene, Marguerite, Jeanie and Geraldine and a son Freddie.  
The deceased gentleman was a charter member of Petrolia Tent, No. 17, K. O. T. M.  
The funeral service was held at St. Phillip's church, Petrolia, at 9:30 a.m. on Monday, September 9th, after which the remains were conveyed to Wyoming and interred in Mount Calvary cemetery.  
Innumerable wreaths and floral offerings from various organizations, as well as private citizens, testified to the high esteem in which deceased was held.  
The body was laid in its last resting place by Messrs. E. Pollard, E. Preston, C. McGowan, A. Kavanagh, John Farrell, and Wm. Dunlop as pall bearers.  
The out-of-town relatives who attended the funeral were, Mr. and Mrs. D. O'Leary and son Freddie of Port Huron, Mr. and Mrs. Chas. Rutter and Mrs. Aggie O'Leary, of Guelph, and Mr. E. Roche of Winnipeg. Mr. and Mrs. R. win Hunt, of St. Louis, Mo., who were visiting in this vicinity were also in attendance.

## Brakeman Hart, of Sarnia Tunnel, Instantly Killed at Wyoming.

His foot slipped just as he attempted to spring from the journal to the step so as to facilitate the making of a coupling, and as a consequence W. Hart, a Grand Trunk freight brakeman, who runs out of Sarnia Tunnel, was instantly killed at Wyoming Wednesday morning about half past eight o'clock.  
Hart was one of the crew bringing the London way freight, in charge of Conductor McQuade, along the line to London. They arrived in Wyoming about 8.15 and proceeded to do the switching connected with the work which they had to do at that station. Hart was making some sort of a running coupling, and as he caught the hand hold he swung onto the journal to swing from the there to step higher up, as is the custom of experienced and expert trainmen.  
However, just as he steadied himself to lean over his foot slipped and the wheel drew him under the car. No one saw the accident, and two cars passed over him killing him instantly, although he was not mangled. His fellow workmen noticed him as the second and last car of the string passed over him. His bones seemed to be broken, which leads to the theory that he must have been rolled underneath the brake beams and axles.  
The officials were at once communicated with and the body taken to an undertaking establishment, where it was viewed by Coroner Chappelle, of Wyoming, who has not as yet decided to hold an inquest.  
Hart is survived by a wife and one infant child. Mrs. Hart was at once apprised of the death of her husband and came to Wyoming from Sarnia on the first train. Mr. Hart had been in the employ of the Grand Trunk for six months.

## Man Fined \$37.50 for Selling a Railway Ticket.

Winnipeg, Sept. 10.—Lindsay P. Lawrence, was brought up before Magistrate McMicken and fined \$37.50, including costs, for bartering a C.P.R. ticket.

## Mistook Son for Wildcat.

Vonda, Sask., Sept. 10.—F. Bodnar, shot and killed his three-year-old boy last night. The child was asleep in the grain, and both Bodnar and the hired girl mistook him for a wild cat.

## CHOP STUFF.

Dr. Jas. A. McLeish, of Parkhill, Ont., has been appointed Government Meat Inspector in the factory of the Wm. Ryan Packing Company, Fergus, Ont.  
The four year old son of John Howey, of Briden, died on the 25th ult., from the result of a fall, received two weeks previously.  
Luther Harris has sold his 100 acre farm in Adelaide to Jos. Uren for the sum of \$5900. He intends leaving shortly for the Northwest.  
Mr. W. D. Sutton, ex-reeve and for many years a most successful business man of Oil Springs, has moved with his family to Hamilton.  
Some ill clad person entered the Gloucester Presbyterian church about four weeks ago and, breaking into a locked cupboard where the ladies of the church had placed some clothes they had procured for the Northwest box, attired himself in a complete new outfit and escaped, leaving in exchange his old clothes.  
We learn that it was found necessary to amputate the great toe of Mr. E. Pearce the G. T. R. crossing watchman, Wyoming who has been confined to the Sarnia hospital for the past month. He is improving as well as can be expected and expects to be able to resume his duties in the course of a fortnight.
