### REV. T. DECOURCY RAYNER ACCEPTS CALL TO WALLACETOWN AND WEST LORNE

Rev. T. DeCourcy Rayner, who has for the past six and half years been pastor of Watford Congregational church (now Pilgrim United), this week accepted a call to the continuing Presbyterian churches in Wallacetown and West Lorne, one of the strong charges in London Presbytery. In addition to being an unusually strong circuit, it is equipped with a fully modern, commodious manse, recently rebuilt, and the call carries with it a substantial increase in salary. The manse is situated in Wallacetown, about two miles south of Dutton, and the West Lorne church is about ten miles distant.  
His induction will probably take place about December 15th, but Mr. Rayner will not move his family from Watford until the Christmas holidays. Mr. Rayner came to Watford in May, 1919, after highly successful pastorates in Kingston and Hamilton, and in addition to being one of the most prominent ministers in the village, has figured conspicuously in many civic movements for the betterment of Watford.

### Municipal Election on Monday

Watford to Have Election for Reeve and Council After Three Years or Acclamation

By far the best nomination meeting in years was held in the Music Hall on Monday evening, Clerk W. S. Fuller, presiding. The hall was practically filled, for the first time in many years, and the meeting on a whole was the most satisfactory municipal meeting held in Watford in recent years. Ratepayers had no axes to grind with the retiring Council and Reeve Connolly gave an exhaustive resume of the year's work as Reeve in the Municipal Council, as representative in the County Council and as chairman of the Public Utilities Commission. Ratepayers received a volume of information concerning matters in each of these three divisions of his work and most of the questions put to him were courteously seeking intelligent information.

Two or three sharp encounters ensued between the Reeve, J. D. Brown and R. H. Stapleford, resulting from criticisms to his stand on various municipal matters, such as waterworks mains, street lighting service and soldiers' memorial activity, but resulted in nothing spectacular, and all parties retained their composure.
