DEATH OF HON. S. W. W. PICKUP One of Annapolis County's Most Prominent Citizens Has Passed Away

Hon. Samuel Walter Willett Pickup, M. L. C., died at his residence at Granville Ferry at 4.30 Tuesday afternoon March 16th.

He had been in ill health for some time but had only been seriously ill 24 hours. He attended the opening of Provincial Parliament as usual but later returned home. He represented this county at Ottawa from 1904 to 1911. He was a member of the Methodist Church, Masonic and Odd-fellows' Fraternities and not only took a deep interest in the welfare of the community in which he resided but of the entire country. He leaves a wife, two sons, Dr. William Alfred, of Montreal, and Samuel at home, three daughters, Cylena T. and Doris Marguerite, at home and Mrs. R. H. Hardwick, at Halifax.

The youngest son (Capt. Walter Pickup) was killed in action while heroically leading his men at Vimy Ridge. All their sons saw active service and Mr. Pickup's death can justly be considered a casualty of the late war, as after the death of his son, his health caused his family and friends grave concern.

Mr. Pickup was born at Granville Ferry. His father was Samuel Pickup, of English Loyalist descent; his mother Cylena G. Willett Pickup. He was educated at the Common School, Annapolis, and at Mount Allison. His marriage took place to Miss Lillie Troop, of Granville Ferry in 1883. During the first years of his life he was a successful merchant, shipbuilder, ship-owner and farmer, but shortly after the death of his father he wound up the large business that the former had built and afterwards devoted such time as he was not engaged in politics to the handling of his own estate.

His political career was lengthy and fruitful, and he always faithfully performed the duties with which his constituents entrusted him. He was elected to the Annapolis County Council at the early age of twenty-five, serving with that body for practically two decades, and doing much for the progress and welfare of the County as its warden. In 1904 he was elected to the Federal Parliament, and was returned for a second term at the elections of 1908. He retired from Federal political life in 1911 and six or seven years ago was appointed a member of the Legislative Council, serving faithfully ever since. His loss will be greatly felt in the Upper House.

Mr. Pickup was a Methodist and an ardent supporter of his church. He took great interest and played an enthusiastic part in the many social and economic activities of his Town and County, and won the respect and affection of many people the width and breadth of the Province.

ATTORNEY GENERAL'S TRIBUTE
The Halifax Chronicle says: Attorney General Daniels says: "I was shocked to learn of the death of Mr. Pickup. For thirty-five years he had been associated with him in the County of Annapolis, first in the Municipal Council and in later years in close political association and personal friendship. "He was," said Mr. Daniels, "one of my warmest and truest friends, a man of the kindest and most sympathetic nature and of the highest personal honor and integrity. He served the County of Annapolis with a great faithfulness in the Municipal Council, where his business sagacity and honorable conduct made him a most useful representative. For nearly ten years he represented Annapolis in the House of Commons where he deservedly won the respect of his fellow members and was unfailing in his attention to the interests of his constituents. In the Legislative Council his parliamentary and business experience and his faithful discharge of all such duties as fell to him made him a most valuable member. No member of that body enjoyed in greater measure the good will and confidence of his associates in both Houses, who will feel that they have lost a good friend and the Legislature one of its most useful members."

THE FUNERAL
The funeral took place Thursday afternoon with interment at Stony Beach cemetery, about three miles below his residence at Granville Ferry, on the Granville shore. Services were

conducted by Rev. H. P. Patterson, pastor of the Granville Methodist church, of which he was a strong supporter, assisted by Rev. Clayton A. Munro, pastor of the Methodist church, Annapolis Royal and by Rev. R. A. Penny, rector of the Anglican church, Granville, who read the lessons. There was a very large attendance, including Mr. Elliott, M. P., from Middleton, and two members of the legislative council, and representative people from Annapolis and elsewhere but owing to the freshets having interfered with communication many from a distance were prevented from attending. A glowing panegyric was delivered by Mr. Munro and in addition three hymns and a male solo was finely rendered including Tennyson's "Crossing the Bar."

AFTER EFFECTS OF INFLUENZA OFTEN SERIOUS

Victims Are Left Weak, Tired and Mentally Depressed—Tonic Treatment is Strongly Recommended.

No pestilence in years has caused more widespread suffering than the epidemic of influenza which swept over Canada in the fall and winter of 1918-19 and again this winter. The danger from this trouble is seldom over when the characteristic symptoms, the fever, headache and the depression of spirits have passed away. Influenza leaves behind it weakened vital powers, thin blood, impaired digestion, and over-sensitive nerves. Men and women who were robust before stricken with influenza find their bodies racked by pains previously unknown to them. This condition is due to an abnormal thinning of the blood and leaves the system an easy prey to other serious troubles. This is the time when the convalescent from influenza should build up the blood, with a reliable blood making tonic such as Dr. Williams' Pink Pills. Weak blood means impoverished nerves, impaired digestion, a feeling of tiredness after even slight exertion and sometimes even more serious symptoms. When the blood regains its rich red quality the nerves recover their strength and the organs of the body function naturally. In fact building up the blood will vitalize the whole system.

The experience of Mr. Andrew Marty, Bathurst, N. B., will prove of value to a host of influenza sufferers who still suffer from the effects of the disease. Mr. Marty says—"The new life and consequently new hope brought into my life through the use of Dr. Williams' Pink Pills is almost beyond my power of expression. Following a severe attack of influenza in 1918 I found myself rapidly failing in health, and was naturally much alarmed. I began to lose in weight, could not eat, did not sleep well, and in a word I was reduced to a mere shadow. I was forced to discontinue work because of my weakened condition and things had a very blue outlook. I tried a number of suggested remedies, but without benefit. And then one day Dr. Williams' Pink Pills were suggested to me. I acted on my friend's advice, began taking these pills and soon felt an improvement. Every day I seemed to grow stronger, and after four weeks' treatment I felt fully restored to my old time health. From my own experience I feel that, if given a fair trial, there is no medicine superior to Dr. Williams' Pink Pills in building up a run down system."

Dr. Williams' Pink Pills are a tonic, not a stimulant. They build up the blood, and not only the disastrous after effects of influenza but also troubles due to poor blood, such as anaemia, rheumatism, indigestion, and the generally worn-out feeling that effects so many people, disappear. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

FIRST BODY FOUND RESULT OF THE FLOOD Hugh Whitman Lost His Life in Bloody Creek

The body of Mr. Hugh Whitman, a returned man, was found in Bloody Creek Tuesday afternoon March 16th. Whitman came to Bridgetown via Saturday afternoon's express intending to return via the "Owl", which was stalled at Lawrencetown. He was last seen in Bridgetown at midnight, saying that he intended to walk to his home at Round Hill.

Evidently he arrived at Bloody Creek about the time the big freshet started to cover the post, road and he was carried off his feet and out into deep water where he was drowned.

The ice in this creek prevented his body from going out in the main river. Coroner Armstrong M. D., held an inquest Wednesday morning, a verdict being returned in accordance with the facts.

Mr. Whitman who was 22

years of age was a son of Mr. and Mrs. Henry Whitman and a grandson of the late Hon. George Whitman, M. L. C. He is survived by his parents and one brother, Charlie, of Round Hill, and several sisters.

The deceased was of a cheerful disposition and was highly respected by a large circle of friends.

The funeral service which was largely attended, was conducted by Rev. John Reeks, rector at Round Hill, with interment in that village. The MONITOR extends its deepest sympathy to the bereaved ones.

Mayor W. Saxby Blair, who has been on a few days trip to Yarmouth, Co., with Dr. J. W. Robertson and Dr. Cummings, as guests of the Dominion Atlantic Railway, returned to Kentville Saturday.
