

---

## GRAND TRUNK RAILWAY.

---

**Two through Express Trains, East and West,  
daily;**

MAKING DIRECT CONNECTIONS WITH

**Trains going East, West, North, and South.**

---

*Sleeping-Cars on Night Express Trains.*

---

By the opening of the 'Victoria Bridge,' THE GRAND TRUNK RAILWAY offers unequalled facilities for the transmission and delivery of Freight, there being but two transshipments between Cincinnati or Chicago and the Eastern States and Europe, and one only between the West and Canada.

---

### THE FIRST-CLASS STEAMSHIPS

OF THE

**MONTREAL OCEAN STEAMSHIP CO.'S LINE,**

CARRYING THE CANADIAN AND UNITED STATES MAIL,

**SAIL EVERY SATURDAY,**

**From Portland in Winter, and Quebec in Summer,**

*FOR CORK AND LIVERPOOL,*

On arrival of Trains from the East and West.

---
