MASURY'S ARTISTS' COLORS,

— IN TUBES. —

If you have not used them buy a few colors and test them. The makers are very reliable, and when given a fair test these Artists' Colors have been found very satisfactory. The cheapness of these colors is also a great recommendation, as for very little more than the same money you get, in most cases, TWICE AS MUCH PAINT as in any other standard make of Oil Colors with which they come in competition in this market.
