The Best**

MR. ALBERT PHILLIPS visited Woodstock at Easter, intending to be back in a few days, but while there was offered so good a position that he was tempted to remain.

He writes us: "I got the position here because I had been at the SAINT JOHN BUSINESS COLLEGE."

Mr. Phillips is only one of about twenty of our students who have recently obtained situations.

**The Crescent.**

There are wheels that are made just expressly to sell:  
Enamelled and polished they look very well,  
But tested by running their virtues allyly;  
But the best wheel to sell and the best wheel to buy  
Is the CRESCENT.

When buying a wheel, just look at its points—  
Smooth bearings, large tubing, neat lines and  
strong joints—  
"I will suit any rider, either low frame or high,  
For the best wheel to sell and the best wheel to buy  
Is the CRESCENT."
