

PUBLISHER'S DEPARTMENT

SANITARY... Riverside, Cal. The... cures. No... 1 ounce, full dose, 10p... free.

MR. T. C. BRACHARD, public school teacher, Scotland, writes: "During the fall of 1883, I was much troubled with biliousness and dyspepsia, and part of the time was unable to attend to the duties of my profession. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was recommended to me, and I have much pleasure in stating that I was entirely cured by using one bottle. I have not had an attack of my old complaint since, and have gained fifteen pounds in weight."

ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer, and it produces natural, quiet sleep by relieving the child from pain, and the little cherub smiles as "bright as a button." It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

AFTER years of suffering, persons who have vainly sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, relieves activity of the bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.
