EDUCATIONAL AND ART EXHIBIT.

The Directors of the Provincial Exhibition to be held in Halifax in October next have decided to include therein as one of the principal features an Educational and Art exhibit. Below will be found the list of specimens for which diplomas and premiums are offered. The co-operation of the Provincial Department of Education has been solicited, which, in turn, respectfully solicits that of Inspectors, Teachers, and Trustees. The occasion should be taken advantage of to ascertain what our Public Schools are accomplishing in the special lines of work for which an opportunity of representation is afforded
