We continue as for several years to supply **ANIMAL VIRUS** propagated at our own stables, from lymph of the "Beaugency Stock," imported by ourselves expressly for this purpose. Results of experience enable us to recommend it as of unsurpassed excellency.

The establishment is under the care of a competent physician of long experience in this specialty, who will spare no pains to produce a perfect *reliable* and *pure* article, which we are prepared at all times to furnish in *fresh* and *active* condition.

Our new method Kine Crusts will be found much superior to the ordinary form, though points are recommended as the most reliable form of virus attainable.

All our Virus is put up in strong, *air-tight, sealed packages*, for safe conveyance by mail or express, and will be *sent*, (post-paid if by mail) upon the following terms:

Fifteen large Ivory Points, well charged on both sides.....	\$2 00
