

OUR ELEVENTH YEAR

Beginning in a small way in 1886, we have had a gradual increase in sales yearly, and it is with no small degree of pride that we can now say that over **THIRTY THOUSAND** physicians in the United States and Canada are to-day using.

Unguentine

**A Surgical Dressing that
Heals Without A Scar.**

Modified formula of **SIR ASTLEY COOPER.**

**The Best Surgical Dressing in the World.
A Fair Trial Will Convince the Most Skeptical.
In Burns and Scalds it Has No Equal.
It is Thoroughly Antiseptic.
It is Without Acidity.
It Never Grows Rancid.**

**AN ALUM OINTMENT THAT DOES
NOT IRRITATE.**

And is Indicated Wherever Inflammation is Present

We simply ask a fair trial of our preparation. Judge it by what it does—not by what is said about it. We shall be glad to send a sample free to any physician, upon request, together with clinical reports and a biography of Sir Astley Cooper, the originator of the working formula.
