

RELIGIOUS AND TEMPERANCE PERIODICALS

Published at the "Evangelizer" Office, Prescott, C.W.

THE GOOD NEWS:

A semi-monthly Religious Periodical, published on the 1st and 15th of every month, containing 28 pages of reading matter, double column, besides the Cover. Price One Dollar per annum, payable in advance.

This publication will enter on its fifth year on the 1st of January, 1865. Since its commencement it has had a respectable circulation in Canada, but there is still room for considerable extension.

On the eve of a new year, and the commencement of another volume, we address our friends, and the friends of the Lord Jesus, respectfully asking them to aid their endeavours towards the extension of our circulation. We mention a few reasons why we think it deserves the support of the people of Canada:

(1.) THE GOOD NEWS contains in the year 672 pages of valuable religious reading matter, partly original and partly selected from the best sources in Britain and America.

(2.) The original matter is the production of Canadian authors; and though from the newness of the country we cannot have as large a proportion of first-class original articles as in older settled countries, yet a periodical like *THE GOOD NEWS*, which affords to Canadian minds the opportunity of conveying their views in a permanent form to the Canadian people, ought on that account to be specially supported.

(3.) THE GOOD NEWS is supplied to the people of Canada at one-half the cost of the English or American periodicals of the same class.

(4.) THE GOOD NEWS is kept free from secular matter, or from being bound up with advertisements, which would render it objectionable for suitable Sabbath reading. In this respect it is distinct from most other periodicals of the same class.

(5.) Its regular entrance into a family is an important means of interesting and instructing each member in the important truths of the Gospel.
