REV. G. M. MILLIGAN, Pastor of Old St. Andrew's Presbyterian Church, Toronto, says:

384 SHERBOURNE STREET.

PROF. VERNON—Dear Sir: By taking your treatment last fall I am happy to tell you that I began last winter's work well. I have not slept so soundly for years as I have done since the treatment, and never have I done my work with such comfort and energy as during the past year. The tonic and alterative effect of the electrical applications have been of so great benefit to me that I believe every person, whatever his health may be, would find himself benefited by a greater or less use of electricity. It is indispensable to the health of the nerves.

Very gratefully and yours truly,
 GEO. M. MILLIGAN.
