ALL ADMIT that RESINOL OINTMENT is the best local application for Eczema and kindred skin diseases, and as a dressing for burns and other traumatic inflammations it is simply superb. The itching and burning of Pruritus Ani, Pruritus Vulvæ, Proctitis, Itching and Inflamed Piles, Marginal Eczemas and Fissures, yield to its soothing influence as if by magic.

Water does not irritate if RESINOL SOAP is used. There is nothing just as good, and beware of the dealer who says so. Resinol Soap cures Dandruff, is fine for the hair, and keeps the skin healthy.

I am using Resinol Soap and Ointment and like them.

WM. ROBINSON, M.D., Chicago, Ill.

Resinol is the best antipruritic I have ever used.

A. VAN DER VELPEN, M.D., Detroit, Mich.

I have used Resinol for several years, and as an antipruritic and antipyretic it has no equal.

WM. B. CRITTENDEN, M.D., Horton, W. Va.

I have used Resinol Ointment and Soap with much satisfaction.

C. S. HALLEY, M.D., San Francisco, Cal.

I find Resinol an excellent preparation; as close an approach to being a specific as possible.

WM. CULP BROWN, M.D., Austin, Ill.

I get the best of results from Resinol.

JNO. KURTZ, M.D., Washington, D. C.
