Sobered by the lessons of the war, sensible men and women have relinquished schemes to get rich quick by means of speculative securities and they now prefer safe investments yielding moderate interest to questionable ones with high rates. TO GUARD THE HOME

At the root of all true prosperity lies the security of the home. There can be no real sense of well-being without the certain assurance that loved ones will be well provided for when the breadwinner is taken away from them.

To guard the home and the home-folk is the province of Life Insurance. There is no other way so sure, and under a Great-West Policy the way is altogether easy. Plans are available to meet every need and circumstance. The cost is low, and this cost is made still lower by the high profit returns paid to policyholders.

Let us explain the best Policy for YOUR needs. State age and ask for the leaflet "OUR SAVINGS."
