AT

FACTORY FIGURES

A few days ago a big lot of high-class furs were sent down to us on consignment

The lot includes Ladies' Fur Jackets in Seal, Persian Lamb, Astrachan and Coon. Ruffs, Collars, Muffs of every style, Mens' Fur-lined Coats, etc., etc.

In order to move these quickly we mark them at factory prices. You could not buy cheaper if you went right to the factory with your good hard gold in your hand.

Come in! Seeing is free.
