

ARTICLE VI

The Government of the Bahama Islands will cease all operations on the frequency of 640 kc not later than August 1, 1946. On or before June 1, 1946, the Government of the Bahama Islands shall notify directly the Government of Cuba the exact date on which it will cease using the said frequency.

ARTICLE VII

The United States of America agrees to the assignment of the frequency 1540 kc with Class I-A protection in accordance with the North American Regional Broadcasting Agreement, Habana, 1937, to the Government of the Bahama Islands subject to the terms of this Agreement.

The United States of America further agrees to collaborate with the Government of the Bahama Islands, after tests have been conducted on 1540 kc or other frequencies which may be suggested by the United States, with a view to determining whether the 1540 frequency or some other frequency should be substituted in the Bahama Islands for 640 kc.

ARTICLE VIII

The Governments parties to this Agreement shall co-operate to minimize interference to their respective services. Recognizing that propagation over sea water is superior to over-land propagation and that the present standards do not adequately take into account conditions of this nature, the Governments parties to this Agreement agree to co-operate with a view to minimizing interference in the event that sky wave signals intensities exceed the values stipulated in this instrument.

ARTICLE IX

Except as herein specifically provided, nothing contained in this Interim Agreement shall limit or restrict the use of any clear channel assigned under the North American Regional Broadcasting Agreement, Habana, 1937, for use by Class I-A stations in the country in which such stations may be located.

ARTICLE X

The Governments parties hereto undertake to apply the provisions of this Interim Agreement and to take the steps necessary to enforce said provisions upon the operating agencies recognized or authorized by them to establish and operate broadcast stations within their respective countries.

ARTICLE XI

Notifications of a complete list of all broadcasting stations in the standard broadcast band actually in operation in each country having been made and accepted without objection on the part of any Government pursuant to Part III of the North American Regional Broadcasting Agreement, Habana, 1937, and of changes similarly made and accepted during the life of said Agreement, the signatories and adherents hereto will continue to recognize these notifications, including the specific changes and modifications, contained in this instrument.
